

**ELECTRIC  
FILLET KNIFE**

**RTI-EK24** 7.4V Lithium Battery Cordless Fillet knife

- Two removable rechargeable battery packs provide an ample power source to complete the job.
- Safty button, easy for one hand operation.
- 8 inch / 5.5 inch / 8inch-shark / 10inch / 10inch-shark Stainless steel reciprocating blades.
- With no cords in the way, the 7.4V Cordless Fillet Knife makes even the toughest filleting chores a quick and easy task.
- Everything fits neatly into a convenient travel case.

**RTI-EK02** 110V Electric Fillet Knife

- 110V Electric Fillet Knife ( ETL certificated ).
- The serrated, reciprocating blades are made of 420 stainless steel.
- Designed to fillet fish easily and quickly, two sizes blade, 6" and 7-1/2", available.
- An ergonomic grip ensures comfortable handling, and safety grip extensions provides a safe place to handle blades.
- 5FT power cord.
- Safty button, easy for one hand operation.

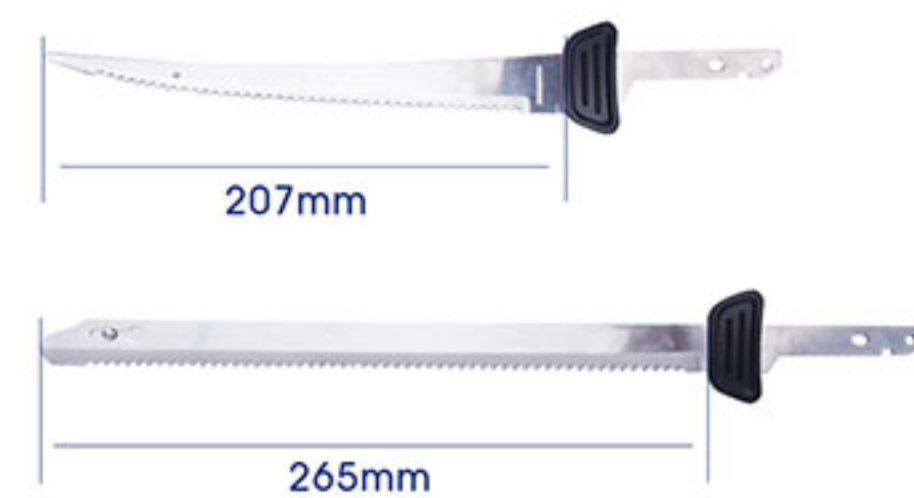

**RTI-EK27** 110V Electric Fillet Knife

- The serrated, reciprocating blades are made of 420 stainless steel, designed to fillet fish easily and quickly.
- Two sizes, 6" and 7-1/2" blades available.
- An ergonomic grip ensures comfortable handling, and safety grip extensions provide a safe place to handle blades.
- 8FT power cord.
- Safty button, easy for one hand operation.
- Patent for invention.

**RTI-EK01** 12V Deluxe Electric Fillet Knife Set

- Includes adapters for 110~220V AC, 12V post clips & 12V lighter plug; 5 feet power cord.
- Everything fits neatly into a convenient travel case.
- Plug into any wall outlet, connect to trolling motor battery posts or plug into car or boat lighter for full filleting power.
- The serrated, reciprocating blades are made of 420 stainless steel.
- Designed to fillet fish easily and quickly, two sizes, 6" and 7-1/2", available.
- Safty button, easy for one hand operation.

**Replacement Blades**

- EK19C 5 1/2" Electric Knife Replacement Blade
- EK20C 8" SHARK Electric Knife Replacement Blade
- EK23C 8" Electric Knife Replacement Blade
- EK21C 10" SHARK Electric Knife Replacement Blade
- EK22C 10" Electric Knife Replacement Blade

#### RTI-FK09 Fillet Knife With Sharpener

- Food grade stainless steel blade.
- Ergonomic soft-grip molded handle.
- Built-in knife sharpener.
- Patent for utility models number: ZL 2016 2 0241348.4.
- Blade length 7inch (18cm).

#### RTI-FK10 Fillet Knife With Sharpener ( Easy Clean Sheath )

- Food grade stainless steel blade.
- Ergonomic soft-grip molded handle.
- Built-in knife sharpener.
- Patent for utility models Number: ZL 2016 2 0241348.4.
- Blade length 7inch ( 18cm ).

#### RTI-FK08 Fish Scaler

- Fine teeth at blade tip, for working around hard to clean spots.
- Saw-teeth to remove scales from most fish species; wide curved teeth for final cleaning.
- Easy cleaning.
- Ergonomically handle, prevent fatigue fracture.

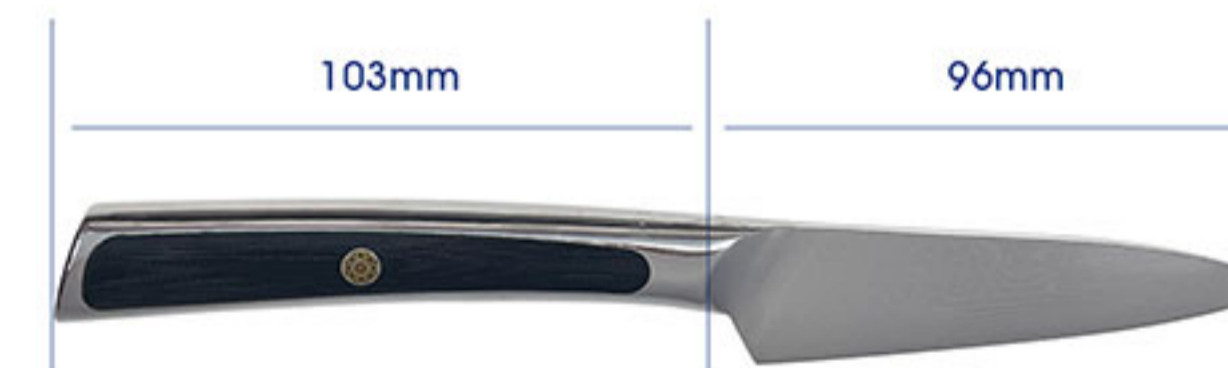

#### RTI-FK30 Clam Knife

- Open shells easily.
- Large finger guard.
- Stainless steel construction.

#### RTI-FK40 Damask Steel Knife

- The knife is full of wonderful patterns and super sharp.
- Different sizes available.

#### RTI-FK60 Fish Scaler

- Made of brass, non-rust.
- Comfortable handle.

DIGITAL  
MECHANICAL SCALE

25KG/50LB

### RTI-DS06 Digital Scale (Nodding Head)

- 10 memory positions.
- Nodding head for easy read.
- Operated by a 9V battery.
- Soft and comfortable TPR handle.
- Water resistant.

50KG/110LB

### RTI-DS27 Digital Scale

- Operated by 2x AAA batteries.
- 10 memory positions.
- With 100cm tape measure.
- Weighing data could be locked on the screen.
- Water resistant.

25KG/50LB

### RTI-DS05 Digital Scale (With handle)

- 8 Memory positions and a sum total memory position.
- Operated by a 9V battery.
- Soft and comfortable TPR handle & hanging handle.
- Water resistant.

50KG/110LB

### RTI-DS25 Digital Scale

- Water resistant.
- With tape measure, 100cm.
- Angled ergonomic handle for easy control.
- Hook can be fixed on the back shell.
- 2xAAA batteries operated.

27KG/60LB

### RTI-DS07 Digital Scale ( With LED Task Light )

- 10 memory positions.
- Operated by 2x AAA batteries.
- Soft and comfortable TPR handle.
- LED task light, works independent of the scale.
- Water resistant.

50KG/110LB

### RTI-DS11 T-Bar Digital Scale

- 10 memory positions.
- T-Bar handle for easy weight.
- Current time visible.
- 2xAAA batteries operated.
- Strong stainless steel karabiner for easy attaching weight sling.
- Foldable T-Bar handle for easy storage.
- Water resistant.

50KG/110LB

### RTI-DS10 Digital Scale

- Top view.
- 2xAAA batteries operated.
- Big handle for easy hanging.

40KG/88LB

### RTI-DS03D Digital Scale

- Large digital display.
- Show current temperature, °C or F.
- 2xAAA batteries operated.

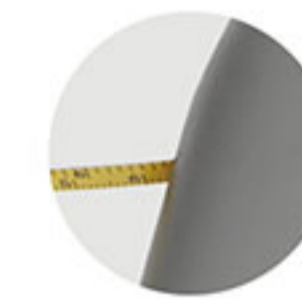

45KG/99LB

### RTI-DS18 Digital Scale

- Large digital display.
- Show current temperature, °C or F.
- 2xAAA batteries operated.
- Big handle for easy hanging.

45KG/99LB

### RTI-DS13 Digital Scale

- Large digital display.
- 2xAAA Batteries Operated.
- Big handle for easy hanging.
- 90cm build-in tape.

25KG/50LB

### RTI-DS12 Mini Digital Scale

- Portable small size.
- 1xCR2032 Battery Operated.

150KG/330LB

### RTI-DS26 Digital Scale

- Heavy duty stainless steel carabiner.
- Compact but strong for fishing and hunting.
- Operated by 2xAAA Batteries.

50KG/110LB

### RTI-DS33 Rechargeable Digital Scale

- Lithium battery or 3 pcs of AAA batteries powered.
- Big retractable handle.
- Power saving mode selectable.
- With 150cm tape measure.
- Water resistant.

300KG/660LB

### RTI-DS17 Digital Scale

- Large capacity upto 300kg for big catch.
- Extra strong stainless steel hook and carabiner.
- Operated by 2xAAA batteries.

**RTI-MS04/MS05/MS06 Tube Scale**

- Stainless steel hook and spring.
- Pound & kilogram measurement.
- Marker slide for accurate measuring.
- PVC coated handle, soft and comfortable.
- Laser mark line, clear for ever.
- Light weight and rust-resistant anodized aluminum tube.

**RTI-MS07/MS08/MS09 Gaff with Scale**

- Pounds and kilograms measurement.
- Light weight and durable aluminum tube.(MS07/08)
- Strong and durable stainless steel tube.(MS09)
- Soft and comfortable EVA handle.
- Hook cap for protection.
- Laser mark Line, clear for ever.

11KG/25LB

**RTI-MS01 Top View Scale**

- Compact design.
- Top view.
- Pounds & kilograms measurements.
- 32"/80cm measuring tape.

22KG/50LB

**RTI-MS12 Fishing Scale**

- Compact design.
- Capacity: 50LB/22KG.
- Tape measure.

460mm

**RTI-MS17 Culling Beam**

- For using both freshwater and saltwater fishing.
- For quickly and easily determining which of 2 fishes is heavier.
- Stainless-steel clips.
- Aluminum construction provides lasting use.

3.5KG/8LB

**RTI-MS03 Portable Scale**

- Compact and Portable Design.
- Pound & Kilogram Measurements.
- 80CM/3FT Measuring Tape.

4.5KG/10LB

**RTI-MS18 Fish Scale**

- Compact and Portable Design.
- Pound & Kilogram Measurements.
- More fun for fishing.
- Stainless steel hook.

# AERATOR

## RTI-AR20 Lithium Battery Rechargeable Air Pump

- Made of high quality material, durable and practical to use Quiet motor.
- High Performance Air Pump With High or Low Speed Settings.
- Easy to open battery replacement section. Includes unbreakable air-stone & flexible air-hose.
- Tough hi-impact resistant case Built-in lithium battery, with USB/Type-C cable.
- Size:14.4\*8\*4.1 cm.

## RTI-AR05 Super Quiet Aerator by 2xAA Batteries

- Quiet, integrated motor.
- Filter stone provides optimum quality aeration.
- 60 cm air hose.
- Two power system, DC lighter plug or 2pcs of AA batteries.
- Aluminum housing, provide better impact resistance.
- Size:8.5\*6.2\*4cm.

## RTI-AR03 Dual Power Aerator

- Quiet, integrated motor.
- Filter stone provides optimum quality aeration.
- 60 cm air hose.
- Two power system, DC lighter plug or 4pcs of AA batteries.
- Size:11.3\*7\*4cm.

### RTI-AR02 Dual Power Aerator

- Filter stone provides optimum quality aeration.
- 60 cm air hose.
- Diaphragm pump.
- Quiet, powerful pump for years of service.
- Two power system, DC lighter plug or a 9V battery.
- Size:11\*7.2\*4.4cm.

### RTI-AR19 Mini Air Pump

- Small size, quiet and powerful pump.
- Water resistant.
- 2\*AA batteries operated.
- Size:8\*6.5\*4cm.

### RTI-AR10 Two Levels Adjustable Air Pump

- Made of high quality material, durable and practical to use.
- Two D batteries (not included) will give you approx,48 Hours of use.
- Quiet motor.
- Includes unbreakable air-stone & flexible air-hose.
- Tough high-impact resistant case.
- High Performance Aerator Pump With High or Low Speed Settings.
- Easy to open battery replacement section.
- Size:14.4\*8\*4.1cm.

### RTI-AR06 Aerator Operated by 2xD Batteries

- Filter stone provides optimum quality aeration.
- 60cm air hose.
- Quiet, powerful pump for years of service.
- Size:11.7\*7.8\*3.7cm.

### RTI-AR18 Aerator Operated By 2xD Batteries

- Filter stone provides optimum quality aeration.
- 60cm air hose.
- Quiet, powerful pump for years of service.
- Size:14.7\*7.7\*5cm.

### RTI-AR07 Aerator Operated by 2xD Batteries

- Filter stone provides optimum quality aeration.
- 60cm air hose.
- Quiet, powerful pump for years of service.
- Size:14.4\*8\*3.1cm.

**RTI-AR08** Air Pump

- Quiet and powerful pump.
- Water resistant.
- Screw up to turn on the pump, and screw down to turn off.
- LED work indicator.
- 3\*AA batteries operated.
- Size:11\*4.1\*4.1cm.

**RTI-AR17** USB portable air pump.

- Aerates up to 6 gallons.
- Exceptionally quiet.
- USB power sources.
- Eco-friendly, no batteries.

**RTI-AR12** Air Stones

- The air stone is powered by an aerator to oxygenate the water which is beneficial for your fish and for the good bacteria within the filter removing harmful ammonia and nitrite.
- Uniform and dense bubbles.

**RTI-AR14/AR15/AR16** Bubble Disk

- High quality aquarium bubble disk aerators are ideal for creating a ring of oxygenating bubbles with in your aquarium.

# LIVING FISH BUCKET

### RTI-CT12 15L Fish Tank

- Capacity: 15L.
- Big entrance, easy to put your catches in.
- Material: PP plastic, strong and durable.
- Air pump position, fit with RTI 2000# aerator, keep the fish a live.
- Transparent lid, easy to see the fish inside.

### RTI-CT05 Fish Bucket

- Inner bucket is removable.
- Large access lid.
- Easy to clean and change water.
- 15L and 20L Buckets available.

### RTI-CT15 21L Fish Tank

- Capacity: 21L.
- Big entrance, easy to put your catches in.
- Material: PP plastic, strong and durable.
- Air pump position, fit with RTI 2000# aerator, keep the fish a live.
- Transparent lid, easy to see the fish inside.

### RTI-CA08 Carbon Throwing Stick

- Diameter: 23mm.
- Length: 91cm.
- EVA handle, soft and comfortable.

### RTI-TB47 Four-Layer Tackle Box

- Portable design for easy carrying.
- Four layers, large capacity.
- Transparent, visible, to find what you need easily.
- Size: 36\*21\*20CM.

### RTI-CA09 Carbon Throwing Stick

- Diameter: 29mm.
- Length: 91cm.
- EVA handle, soft and comfortable.

### RTI-TB43/TB44/TB45 Cooler

- Portable cooler box, be used in fishing, camping, home storage.
- Insulation for a long time. Both for hot and cool.
- Three sizes for different capacity.
- Good sealing.
- Sturdy and durable, ECO-friendly.

### RTI-CA13 Carbon Throwing Stick

- Diameter: 23mm.
- Length: 91cm.
- With baiting mouth.
- EVA handle, soft and comfortable.

### RTI-CA14 Carbon Throwing Stick

- Diameter: 29mm.
- Length: 91cm.
- With baiting mouth.
- EVA handle, soft and comfortable.

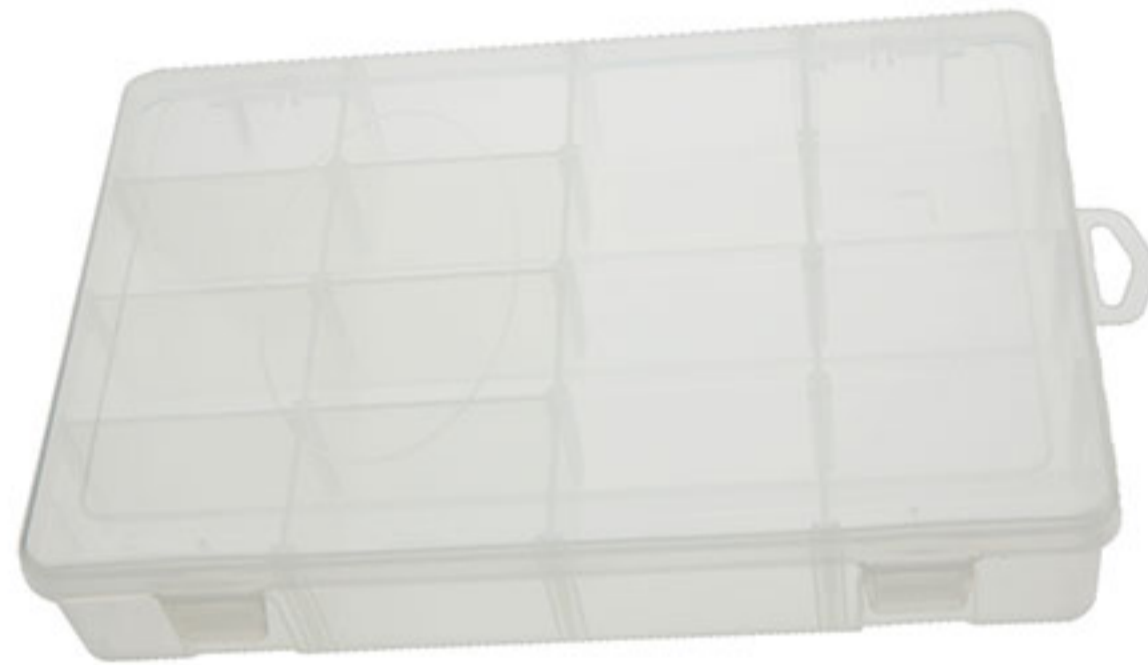

**RTI-TB11** 3600 Tackle Box

- Light weight and durable plastic constru
- Include adjsutable dividers.
- With hanging hole.
- Size:26.5\*17\*5 cm.

**RTI-TB15** Portable Tackle Box

- Water resistant design.
- Fixed and adjustable dividers.
- Strong and durable.
- Size:11\*8\*3 cm.

**RTI-TB12** 3700 Tackle Box

- Light weight and durable plastic constru
- Include adjsutable dividers.
- With hanging hole.
- Size :34.5\*21\*4.5cm.

**RTI-TB36** Tackle Boxes

- High-strength PP environmentally friendly material.
- Transparent casing.
- Size :15\*6.5\*2.5 cm

**RTI-TB19** Fishing Lure Box

- 14 Compartments.
- Double sided Compartments.
- Handle for easy carrying.
- Size :27.2\*18.5\*4.6 cm.

**RTI-TB28** Tackle Boxes

- High-strength PP environmentally friendly material.
- Transparent casing.
- Different sizes available.
- Both single and double layers.
- Size :30\*13\*5 cm.

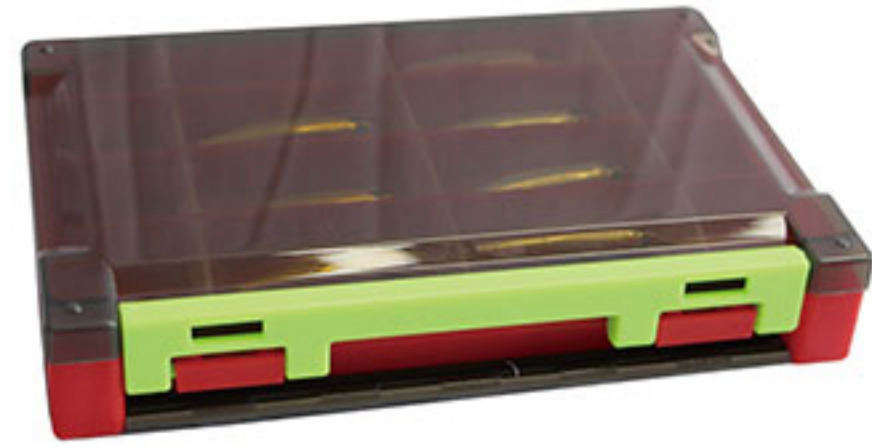

**RTI-TB18** Fishing Lure Box

- 10 compartments.
- Double sided compartments.
- Handle for easy carrying.
- Size :20.2\*17\*4.3 cm.

**RTI-TB29** Tackle Boxes

- High-strength PP environmentally friendly material.
- Transparent casing.
- Different sizes available.
- Both single and double layers.
- Size :21\*13\*6.5cm

### RTI-TB30 Fly Fishing Tackle Box

- High-strength ABS environmentally friendly material.
- Transparent casing allows you to see the contents quickly.
- Double-sided design.
- Installed with EVA hook positions.
- Adjustable spacers.
- Water resistant.
- Size: 21\*14.5\*4 cm.

### RTI-TB39 Fly Fishing Tackle Box

- High-strength ABS environmentally friendly material.
- Transparent casing allows you to see the contents quickly.
- Double-sided design.
- Installed with EVA hook positions.
- Adjustable spacers.
- Water resistant.
- Size: 28\*21\*7 cm.

### RTI-TB14 Tackle Box

- Fixed and adjustable dividers.
- Strong and durable.
- Sturdy lock system.
- Water resistant.
- Size: 19.5\*11\*4.5cm.

### RTI-TB40 Fly Fishing Tackle Box

- High-strength ABS environmentally friendly material.
- Transparent casing allows you to see the contents quickly.
- Double-sided design.
- Installed with EVA hook positions.
- Adjustable spacers.
- Water resistant.
- Size: 28\*21\*7 cm.

### RTI-TB37 Fly Fishing Tackle Box

- High-strength ABS environmentally friendly material.
- Transparent casing allows you to see the contents quickly.
- Double-sided design.
- Installed with EVA hook positions.
- Adjustable spacers.
- Water resistant.
- Size: 30\*22.5\*5.5cm

### RTI-TB33 Fly Fishing Tackle Box

- Inside with a magnet lock.
- Inside 18 compartments.
- Water resistant.
- Size: 19\*10.5\*1.5 cm.

### RTI-TB38 Fly Fishing Tackle Box

- High-strength ABS environmentally friendly material.
- Transparent casing allows you to see the contents quickly.
- Double-sided design.
- Installed with EVA hook positions.
- Adjustable spacers.
- Water resistant.
- Size: 30\*21.5\*5 cm.

### RTI-TB31 Fly Fishing Tackle Box

- High-strength ABS environmentally friendly material.
- Transparent casing allows you to see the contents quickly.
- Double-sided design.
- Installed with EVA hook positions.
- Adjustable spacers.
- Water resistant.
- Size: 18\*11\*4.5 cm.

**RTI-TB42** Fly Fishing Tackle Box

- High-strength ABS environmentally friendly material.
- Transparent casing allows you to see the contents quickly.
- Double-sided design.
- Installed with EVA hook positions.
- Adjustable spacers.
- Water resistant.
- Size: 15\*9\*4.5 cm

**RTI-TB32** Fly Fishing Tackle Box

- High-strength ABS environmentally friendly material.
- Transparent casing allows you to see the contents quickly.
- Double-sided design.
- Installed with EVA hook positions.
- Adjustable spacers.
- Water resistant.
- Size: 13.7\*9.5\*1.5 cm

**RTI-TB41** Fly Fishing Tackle Box

- High-strength ABS environmentally friendly material.
- Transparent casing allows you to see the contents quickly.
- Double-sided design.
- Installed with EVA hook positions.
- Adjustable spacers.
- Water resistant.
- Size: 10\*7.5\*3.5 cm.

**RTI-TB04** Tackle Box

- Light weight and durable plastic construction.
- Can be connected with each other.
- Available in 5 sizes as below:
 

RTI-TB01 14*4.2*2.5 cm	RTI-TB02 10*4.*2.5 cm
RTI-TB03 8*3*2.5 cm	RTI-TB04 8*3.5*1.5 cm
RTI-TB05 6.5*1.6*1.7 cm	

# FISH GRIP

# FISH GRIP

36KG/80LB

## RTI-GP23 Heavy Duty Stainless Steel Lip Grip

- Patented jaws are designed to securely hold toothy fish without causing injury.
- Improved self-lock construction, make sure tightly grip even for fighting fish.
- Wider and deeper opening space provide better performance.
- Totally stainless steel construction, super strong.
- PVC handle allow non-slip gripping even when wet.

RTI-GP24

RTI-GP24 7KG / 15LB Stainless Steel Link Jaws Grip

RTI-GP17 14KG / 30LB Stainless Steel Link Jaws Grip

RTI-GP18 30KG / 60LB Stainless Steel Link Jaws Grip

- Patented jaws are designed to securely hold toothy fish without causing injury.
- Improved self-lock construction, make sure tightly grip even for fighting fish.
- Wider and deeper opening space provide better performance.
- Totally stainless steel construction, super strong.
- PVC handle allow non-slip gripping even when wet.

**RTI-GP05D** Grip with Digital Scale ( Task Light )

- Water proof.
- Measuring range could be 30LB,60LB.
- Large Display / Auto power off.
- Tare weight / 10 memory positions.
- 2 pcs of AAA batteries operated.
- Patent jaws are designed to securely hold fish without causing injury.
- Constructed of high-grade stainless steel, provide superior durability and corrosion resistance.
- Swivel handle, rotates on shaft for better positioning and controlling.

**FISH GRIP WITHOUT SCALE ( NEW JAW )**

- RTI-GP06B Stainless Steel Grip Swivel handle
- RTI-GP15C Mini Fish Grip
- RTI-GP16D Economical Fish Grip

- Compact design, easy for storage.
- Patent jaws are designed to securely hold the fish without causing injury.
- All made of rust-resistant material, superior durability and corrosion resistance.

**RTI-GP14B** Grip with Digital Scale ( Nodding Head )

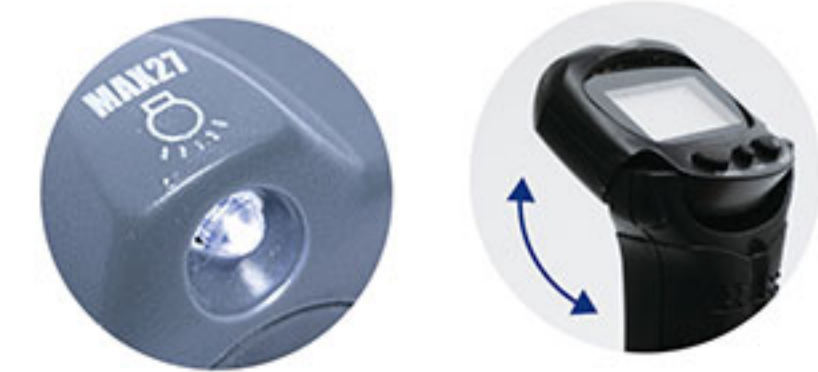

- Water proof.
- Measuring range could be 30LB,60LB.
- Large Display / Auto power off.
- Tare weight / 10 memory positions.
- 2 pcs of AAA batteries operated.
- Patent jaws are designed to securely hold fish without causing injury.
- Constructed of high-grade stainless steel, provide superior durability and corrosion resistance.
- Swivel handle, rotates on shaft for better positioning and controlling.

**FISH GRIP WITH DIGITAL SCALE**

- RTI-GP05 Grip with Digital Scale ( Task Light)
- RTI-GP14C Grip with Digital Scale ( Nodding Head)

- Water proof.
- Measuring range could be 30LB,60LB.
- Large Display/Auto power off.
- Tare weight/10 memory positions.
- 2 pcs of AAA batteries operated.
- Patent jaws are designed to securely hold the fish without causing injury.
- Constructed of high-grade stainless steel, provide superior durability and corrosion resistance.
- Swivel handle. rotates on shaft for better positioning and controlling.

- Patent jaws are designed to securely hold the fish without causing injury.
- Weight is shown as you lift it clear from the water.
- Swivel handle rotates on shaft for better positioning and controlling.
- 15LB/30LB are available.

RTI-GP06      RTI-GP16      RTI-GP15      RTI-GP09B

**FISH GRIP WITHOUT SCALE**

- RTI-GP06 Stainless Steel Grip Swivel handle
- RTI-GP09B Aluminum Grip Swivel handle
- RTI-GP15 Mini Fish Grip
- RTI-GP16 Economical Fish Grip
- Compact design, easy for storage.
- Patent jaws are designed to securely hold the fish without causing injury.
- All made of rust-resistant material, superior durability and corrosion resistance.

**RTI-GP19 Plastic Lip Grip**

- Floating! Super light, appx 80g.
- Safely land, display, and release your catch with one hand operation.
- High quality engineering PP construction.

# LINE COUNTER

## RTI-LC05 Digital Line Counter

- 10 Memory positions.
- 999m/YD capacity.
- 180 Rotatable, to fit both casting and spinning rods.
- Water resistant.
- Backlight.
- Auto power off.

## RTI-LC02 999m Line Counter

- Mechanical Line Counter.
- 999m.

## RTI-LC01 Line Counter In meter / feet

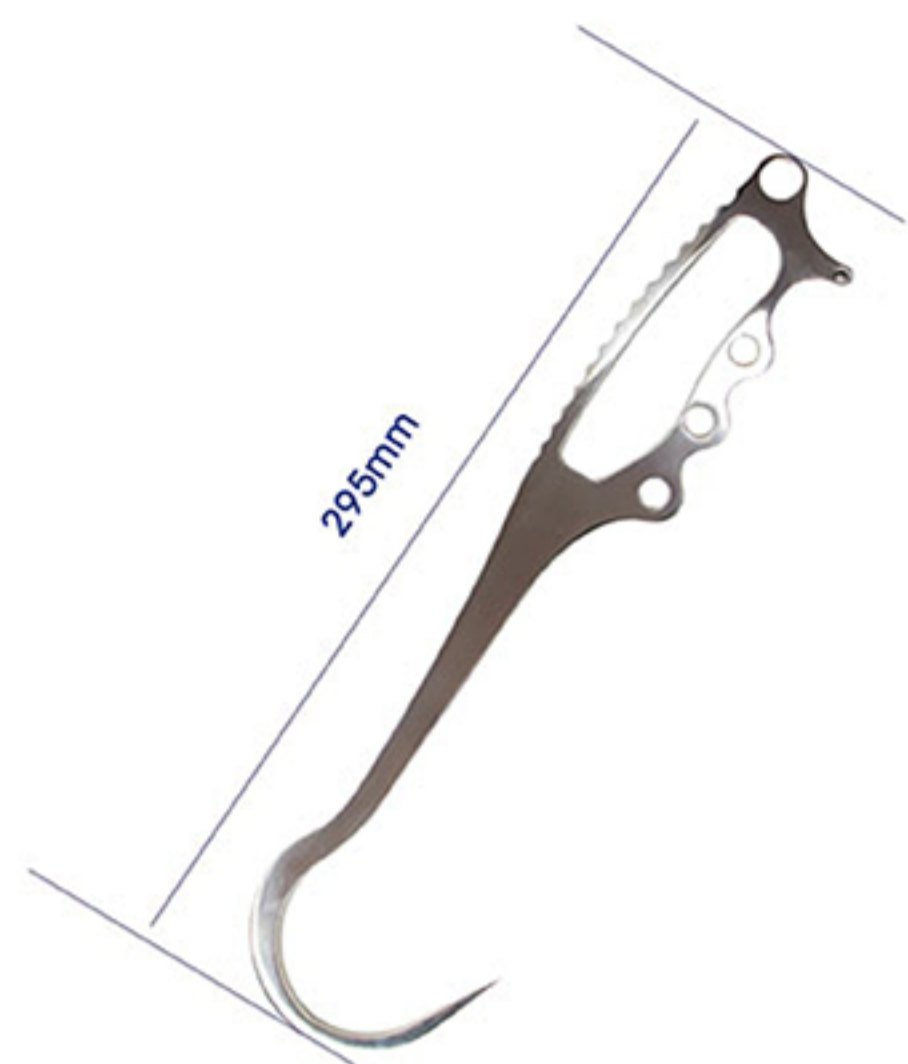

- Automatic line release.
- Tension knob.
- Lighted display.
- 99m/999FT.

## RTI-LC06 Fish Counter

- Count how many fish you catch.
- Durable metal case.
- With easy reset knob.
- Giant finger ring.

# GAFF

## RTI-GS27 One-Piece Seamless Fishing Gaff

- One-piece construction, without any seam.
- Super strong and easy cleaning.
- Made with stainless steel plate. High purity of raw materials provides super rust-resistant performance.
- Line of cutting handicraft.
- Numerical control WEDM technique, better for customization, small quantity also workable.
- Different Shapes or sizes for OEM orders.

## RTI-GS01 40 / 60 / 90 / 120cm Gaff

- Oversize hook with rubber cap.
- Sure-grip EVA handle.
- Light weight aluminum tube for easy reaction and quick moves.
- Different sizes available.

## RTI-GS02 Gaff Telescopic Shaft 27-62cm

## RTI-GS04 Gaff Telescopic Shaft 42-100cm

- Light weight aluminum tube.
- Telescopic shaft for easy storage, 3 sections.
- Stainless steel hook with rubber cap.
- Soft touch EVA handle.

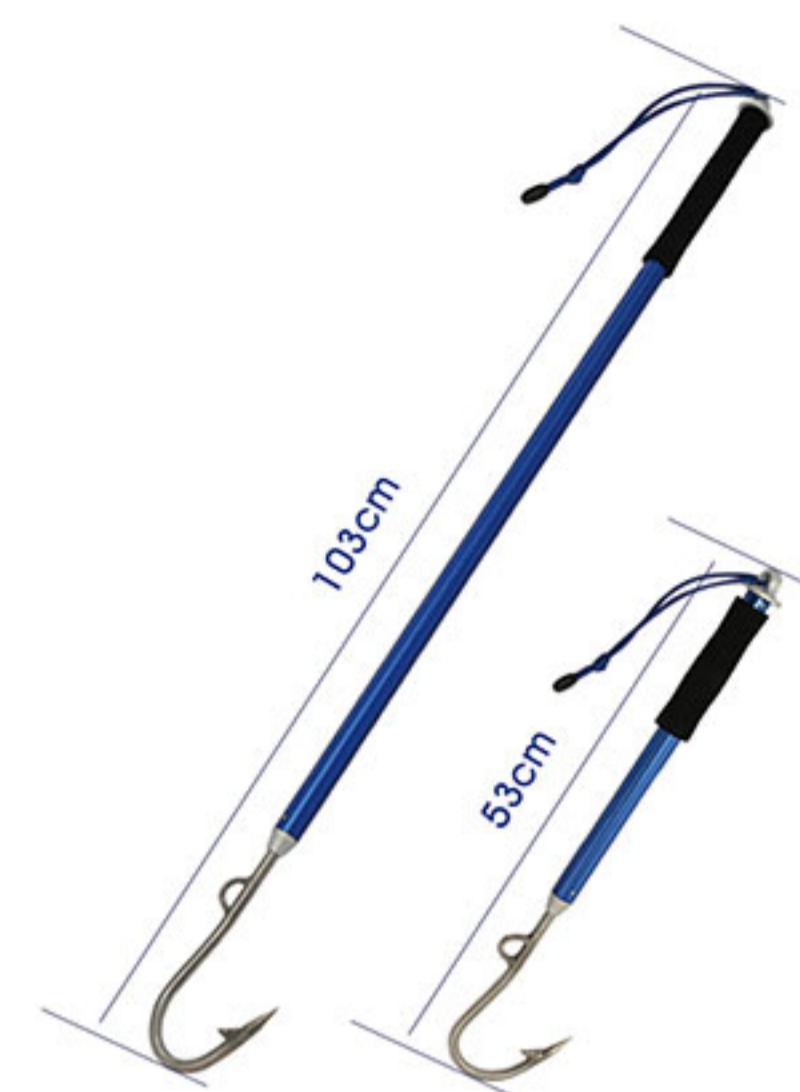

**RTI-GS06** Gaff Telescopic Shaft with Scale 7KG/15LB

**RTI-GS03** Gaff Telescopic Shaft with Scale 11KG/26LB

**RTI-GS07** Gaff Telescopic Shaft with Scale 22KG/50LB

- Light weight aluminum tube.
- Telescopic shaft for easy storage, 3 sections.
- Stainless steel hook rubber cap.
- Clear and easy read laser mark.
- Weight capacity, available in 15LB, 26LB, 50LB.

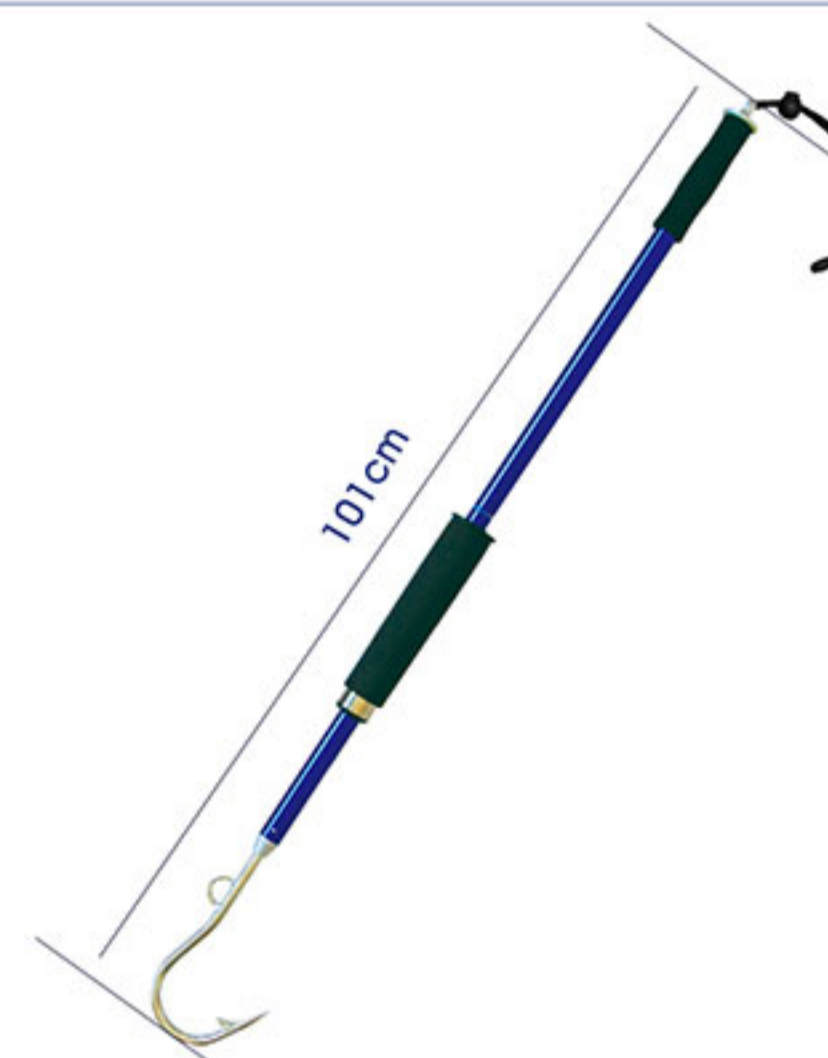

**RTI-GS26/GS25B** Heavy Duty Fly Gaff

- SS304 hook, aluminum tube, EVA soft handle.
- With Carbine ring for fly rope.
- Over size and extra sharp hook, with protective cap.
- Designed for big fish, maximum 200kgs.
- Adjustable lanyard.
- Two sizes available, 53cm and 103cm.

**RTI-GS09** Gaff Telescopic Shaft with Scale

- Light weight aluminum tube.
- Telescopic shaft for easy storage, 2 sections.
- Stainless steel hook rubber cap.
- Two handles for gaffing fish firmly.
- Clear and easy read laser mark.
- Different length available.
- Weight capacity, available in 15LB, 26LB.

**RTI-GS28** Heavy Duty Fishing Gaff with 150LB Scale

- SS304 hook, aluminum tube, EVA soft handle.
- With Carbine ring for fly rope.
- Over size and extra sharp hook, with protective cap.
- Designed for big fish, maximum 200kgs.
- The maximum measuring rang is 150LB.
- Adjustable lanyard.

**RTI-GS10** Gaff Telescopic Shaft Extended from 115cm to 200cm

- Light weight aluminum tube.
- Telescopic shaft for easy storage, 2 sections.
- Stainless steel hook rubber cap.
- Two handles for gaffing fish firmly.
- Different length available.

**RTI-GS20** Squid Gaff

- Strong stainless steel construction, provides lasting use.
- Special designed for squid fish.

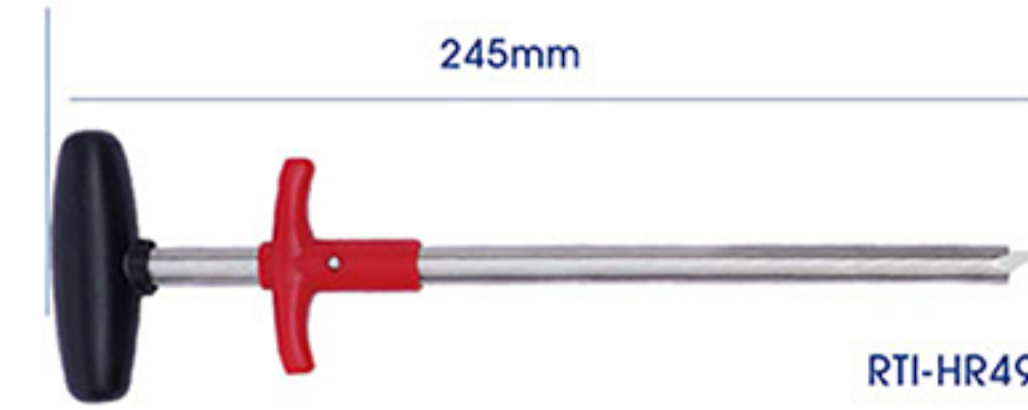

**RTI-GS21** Gaff With Line Holder

- Stainless steel construction.
- Polished hook and connectors, hold fishing line gently.

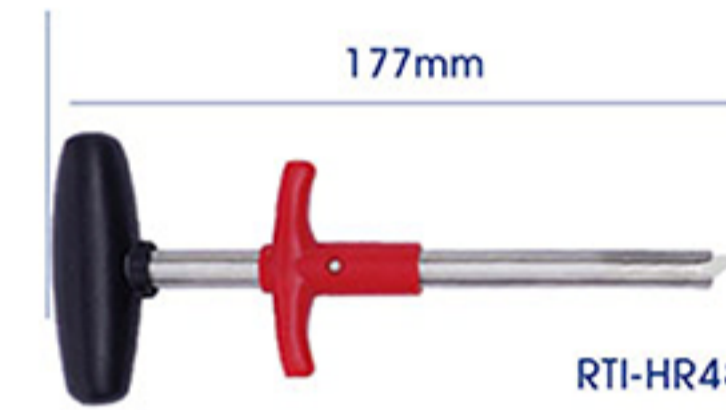

# HOOK REMOVER

RTI-HR50

RTI-HR49

RTI-HR48

## RTI-HR48/HR49/HR50 Heavy Duty SS Hook Remover

- Perfect for removing hook from fish.
- Stainless steel construction, strong and rust resistant.
- Available in 7", 10", 13", 20" and more.

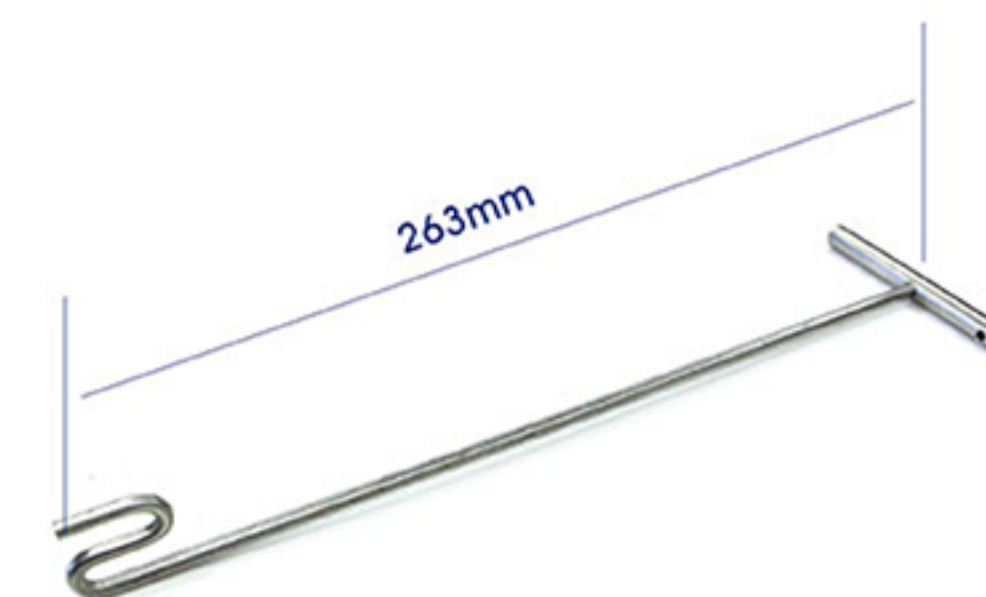

RTI-HR02

RTI-HR01

## RTI-HR01/HR02 9"/15" Stainless Steel Hook Remover

- Perfect for removing hook from fish.
- Sturdy stainless steel parts.
- Soft and comfortable PVC handle.
- Adjustable nylon lanyard.

## RTI-HR53 10" S Shape HOOK Remover

- Special S Shape.
- Head and handle both stainless steel material.
- Stainless steel construction.
- Bifferent sizes available.

**RTI-HR15/HR15B** Hook Remover with Cutter

- Stainless steel construction.
- Suitable for removing hooks from fish with small mouth.
- Works well in tight spaces.
- Crimp slots and cutting blade.
- Hardened stainless steel jaws.

**RTI-HR03/HR04/HR13** 13" /7"/10" T Hook Remover

- Perfect for removing hook from fish.
- Aluminum tube, Light weight and rust resistant.
- Available in 7", 10", 13", 20" and more.

**RTI-HR08** 9" Hook Remover

**RTI-HR14** 6" Mini Hook Remover

- Aluminum tube for light weight.
- Soft and comfortable handle.
- Adjustable nylon lanyard.
- Available in 6", 9" 12" and more.

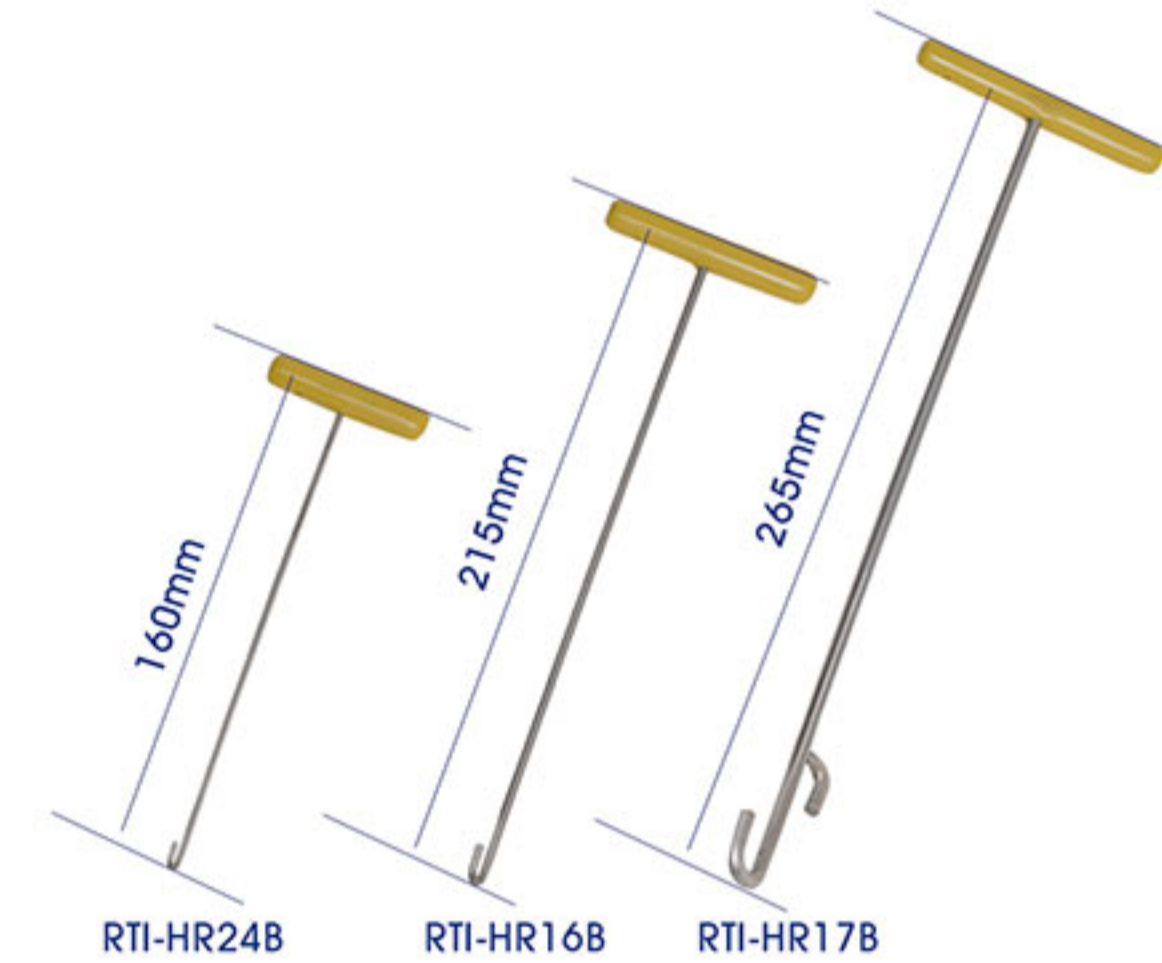

**RTI-HR18** 6.5" Hook Remover

**RTI-HR19** 9.5" Stainless Steel Hook Remover

- Simple to operate.
- Take out hook effective.
- Made of stainless steel. ( HR19 )

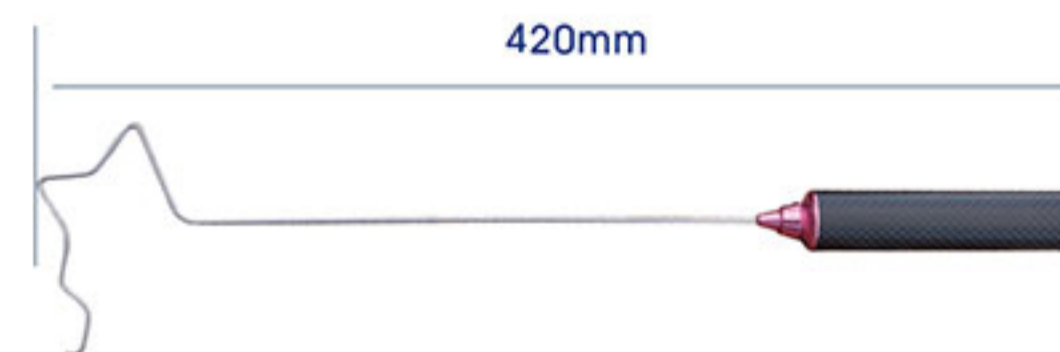

**RTI-HR24B/HR16B/HR17B** 6"/8"/10" T-bar Hook Remover

- Strong stainless steel construction, provides lasting use.
- PVC handle, soft and non-slipong.

**RTI-HR35** Hook Remover

- Plating coating provide good rust resistant.
- Aluminum Handle with needles inside.

**RTI-HR43** Hook Remover

- Designed for trout.
- Carbon handle tube with anodized aluminum ends.
- Adjustable length.

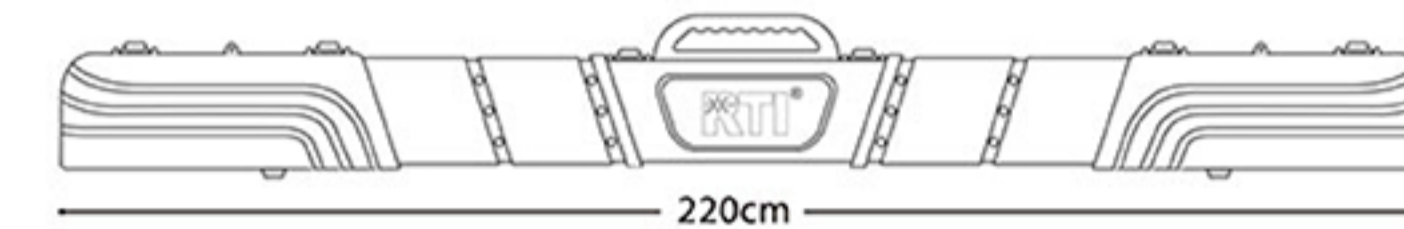

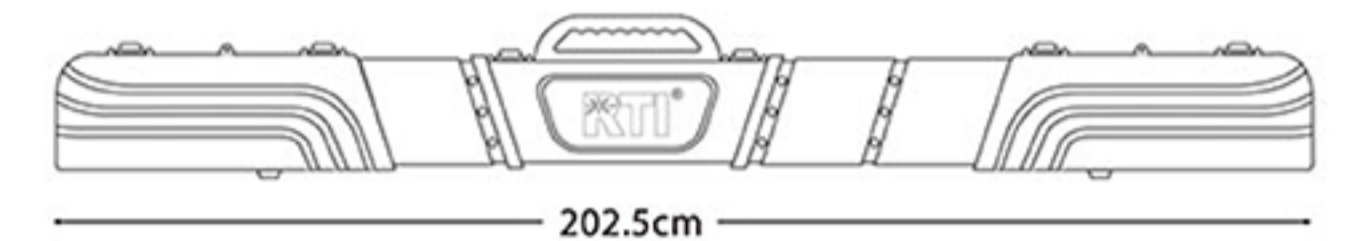

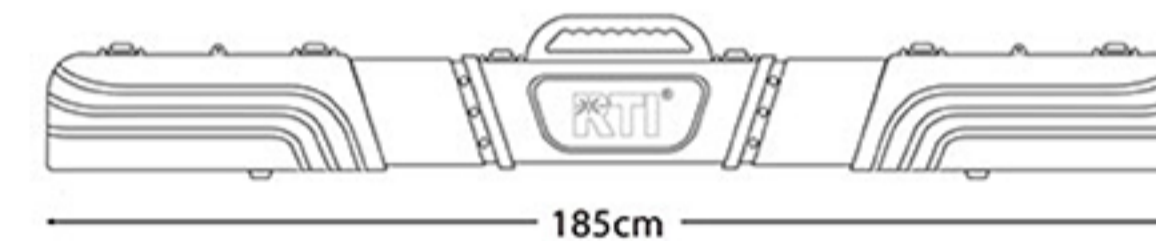

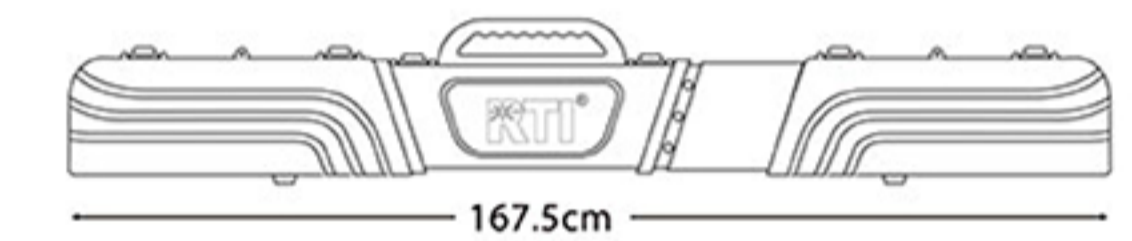

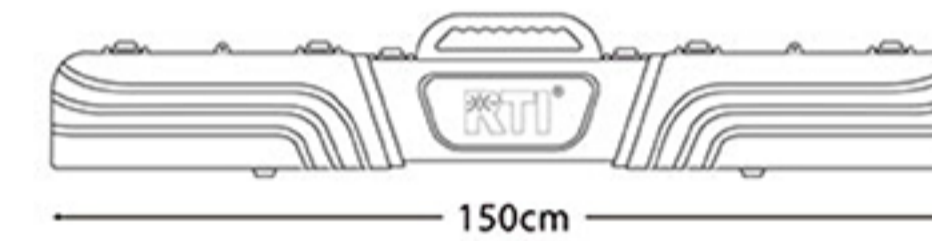

**RTI-HR31/HR31B** Hook Remover

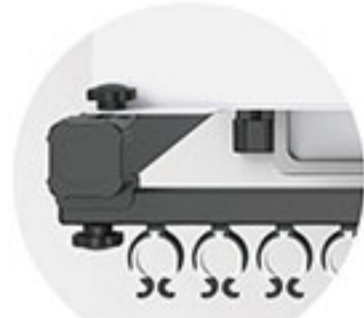

- Stainless steel, rust-resistance.
- Carbon handle tube with anodized aluminum ends.
- Two size available:7" and 9" .

# ROD CASE

## RTI-RH08 Deluxe Rod Case

- Extends to 2.2m and collapses as small as 1.5m for easy storage.
- Capacity up to 10 Fishing Rods.
- Unique locking design with 6 mechanisms to prevent un-required opening.
- Internal wavy sponge design to fasten rods in place and prevent damage to your rods.
- Dimension before extension  
Inner: L 1457mm, W 153mm, H 66mm; Outer: L 1505mm, W 253mm, H 106mm.
- Dimension after extension  
Inner: L 2157mm, W 153mm, H 66mm; Outer: L 2205mm, W 253mm, H 106mm.

**RTI-RH60**  
Multifunctional Rod & Fishing Wheel Rack

- Fishing rod can be placed on one side, Fishing wheel can be placed on the other side.
- Three-layer aluminium plates to store tackle box and other tools.
- Co-molded jaws, with soft rubber coating to protect rod and fishing wheels well.
- Strong plastic connector for steadily standing.
- Aluminium construction light weight and durable.
- Lower stands and upper jaws, both adjustable.

**RTI-RH61** Fishing Reel Rack

- Over molded soft jaws to protect reels well.
- High quality plastic connector for steady standing.
- Aluminum stands and beams, light weight and durable.
- Beams and jaws are all adjustable, to DIY the right space you need.
- Size: 780\*422mm.

**RTI-RH19** 12/24 Rod Rack

- Moulded jaws to protect rods.
- Strong plastic connector for steadily standing.
- Aluminium construction light weight and durable.
- Lower stands and upper jaws, both adjustable.
- Size: 785\*415mm.

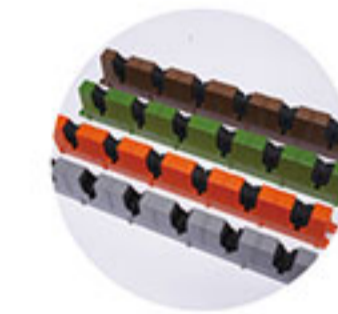

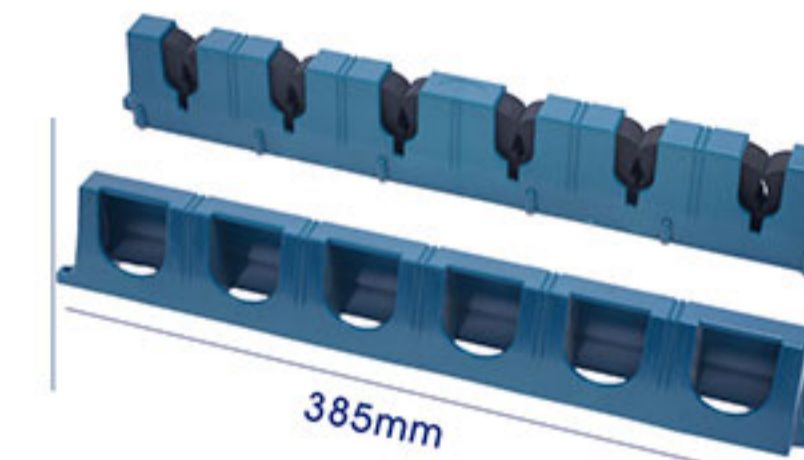

**RTI-RH21** 24 Rods Holder

- Designed to organize up to 24 rods.
- EVA jaws, hold the rods gently, do not harm the rods.
- Aluminum construction, light weight and durable.
- Size: 730\*290\*765mm.

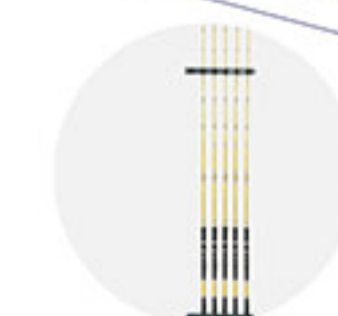

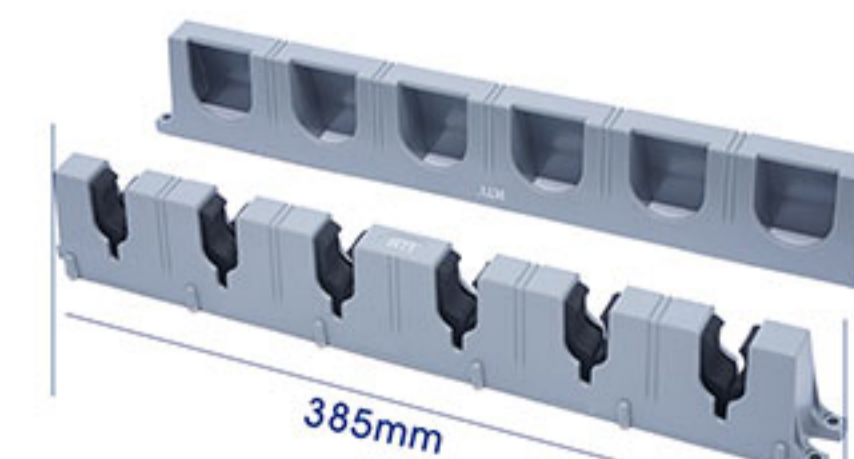

**RTI-RH14** 12 Rods Holder

- Designed to organize up to 12 rods.
- EVA jaws, hold the rods gently, do not harm the rods.
- Aluminum construction, light weight and durable.
- Size: 460\*290\*430mm.

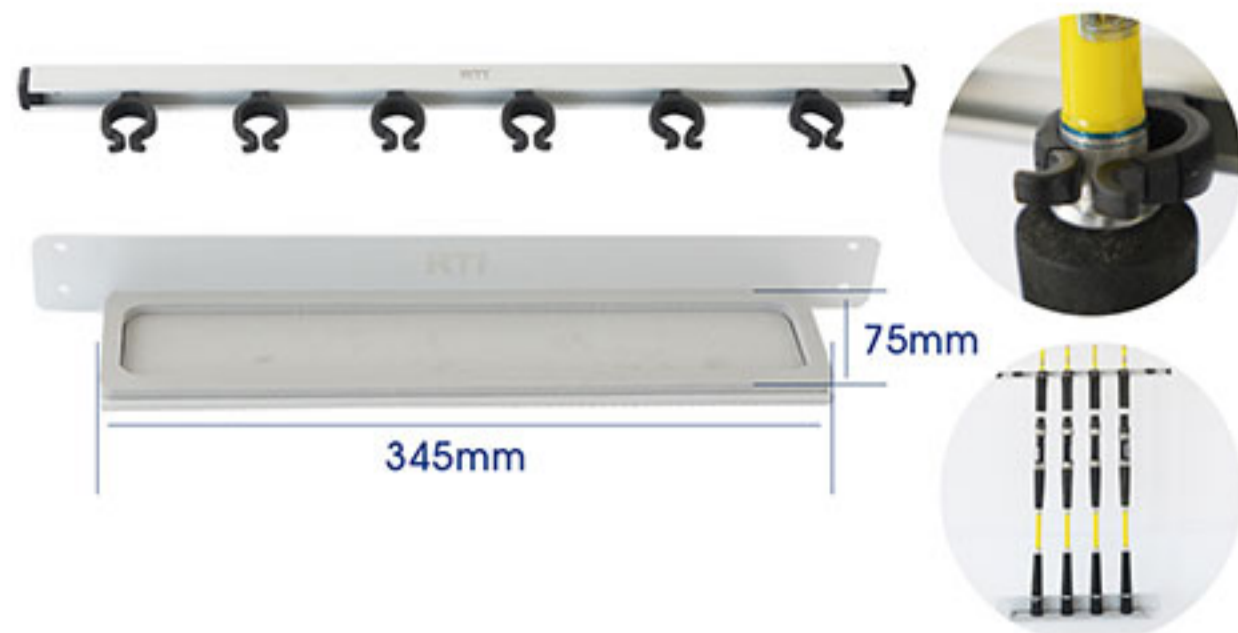

**RTI-RH01** Rod Rack Holds Up 6 Rods

- EVA jaws for protecting rod from damaging.
- Fits many rod sizes.
- Base grip holder.

**RTI-RH01E** Rod Holder ( Wider EVA Jaws )

- EVA jaws for protecting rod from injury / hold 6 rods.
- High quality ABS construction.
- Designed for rods with big diameter.

### RTI-RH42 Lightweight Rod Rack (For wall mounting)

- Movable clips, allow anglers adjusting the spacing between the clips freely.
- Store up to 12 rods or combos and apply to any rod taper.
- Rod clips keep your gear securely in place while the EVA feet work to keep the entire unit from sliding around.

### RTI-RH05 Magnetic Tool Rack

- Securely store tools when not in use.
- Include screws to mount on the wall.

### RTI-RH13 Vertical Rod Roller Holder

- Spring steel for stretch and firm grip.
- Dia. 18-32mm compatible.

### RTI-AS200 Rod Holder

- Soft rubber construction, to protect the rods well.
- To make your section rods well packed, you won't miss any section.

### RTI-AS202 Rod Holder

- Aluminum with EVA jaw.
- Hold rods to release your hands for other things.

### RTI-RH49 Fighting Belt Features

- Using high density EVA and hard strength PP material, wearing with ergonomic arc is more fit and comfortable.
- Fully same size three holes accepts the rod butt quickly.
- 1.5M length easily to pull belt more convenient to adjust the length and fastening buckle.
- Velcro design, easy to fit the fixed belt, beautiful and convenient.
- Suitable for most fishing rods.
- Floating design, do not sink the bottom is not easy to lose.

### RTI-RH18 Waist Belt Rod Holder

- Hold rods to release your hands for other things.
- Rubber construction, hold your rod gently.
- Adjustable waist belt.
- Additional holes for hanging necessary tools.

### RTI-RH20 Triple Legs Rod Holder

- Aluminum construction, non-rust.
- Foldable for easy storage.
- Hold 5 rods.
- Three sizes available.

### RTI-RH50/RH51/RH52 Fishing Boat Rod Holder

- Adjusted to 32 different angles.
- Material: SS316, SS304 tube.
- Adjustable for rails 7/8" to 1".
- Simple operation for mounting.

### RTI-AS234/AS235/AS236 Rubber End Caps for Fishing Rods

- Soft, to protect the rod end well.
- Anti-slipping and high toughness.
- Different sizes available  
S : Dia 20mm, H 26.5mm, 5g  
M : Dia.22.5mm, H34.5mm, 7g  
L : Dia.24.3mm, H41mm, 11g

# LANDING NET

## RTI-LN49 Folding & Turning Connector for Landing Net

- Reliable stainless steel construction.
- One hand operation.
- Easy storage and carriage of landing net for fly fishing.

RTI-LN62  
5KG

RTI-LN63  
10KG

RTI-LN73  
15KG

## RTI-LN62/LN63/LN73 Floating Landing Net with Scale

- Available in 3 Sizes:  
LN62: Handle: 21 cm. Net: 50\*42cm.  
LN63: Handle: 31 cm. Net: 54\*46cm.  
LN73: Handle: 29cm. Net: 70\*56cm.
- Weigh in vertical way, the handle will be rotatable only when the weight more than 1KG.
- No-rotate when hold in a horizontal way.

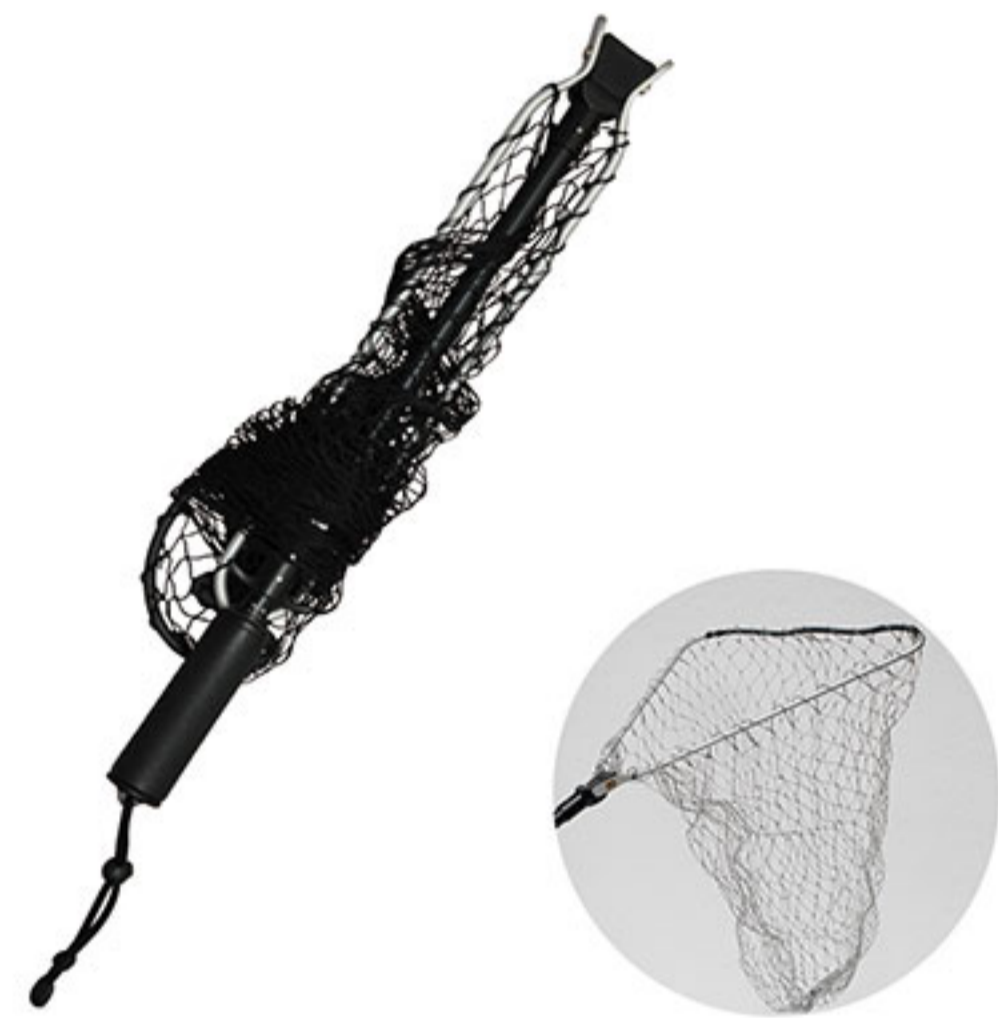

**RTI-LN01** 1# Foldable Landing Net  
**RTI-LN02** 2# Landing Net  
**RTI-LN03** 3# Landing Net

- Available in 3 Sizes:  
 LN01:Handle:53cm. Net: 43\*33cm.  
 LN01:Handle:60cm. Net: 50\*40cm.  
 LN01:Handle:65cm. Net: 55\*43cm.
- Easy One Hand Operation.
- A Quick-flip to Open and Release triggers to Close.
- Knotted Nylon Netting.
- EVA Handle, Soft and Comfortable.
- Aluminium Parts, Light Weight, Durable and rust resistant.
- With Lanyard and Buckle.
- Knotted Nylon Netting or Rubber Coated Netting Available.

**RTI-LN05** 2# Telescopic Landing Net  
**RTI-LN06** 3# Telescopic Landing Net

- Available in 2 sizes:  
 LN05:Handle:60-94cm. Net: 50\*40cm.  
 LN06:Handle:70-113cm. Net: 55\*43cm.
- Telescopic shaft.
- A quick-flip to open and release triggers to close.
- Soft and comfortable EVA handle.
- Light weight and durable aluminum parts.
- With lanyard and buckle.
- Knotted nylon netting or rubber coated netting available.

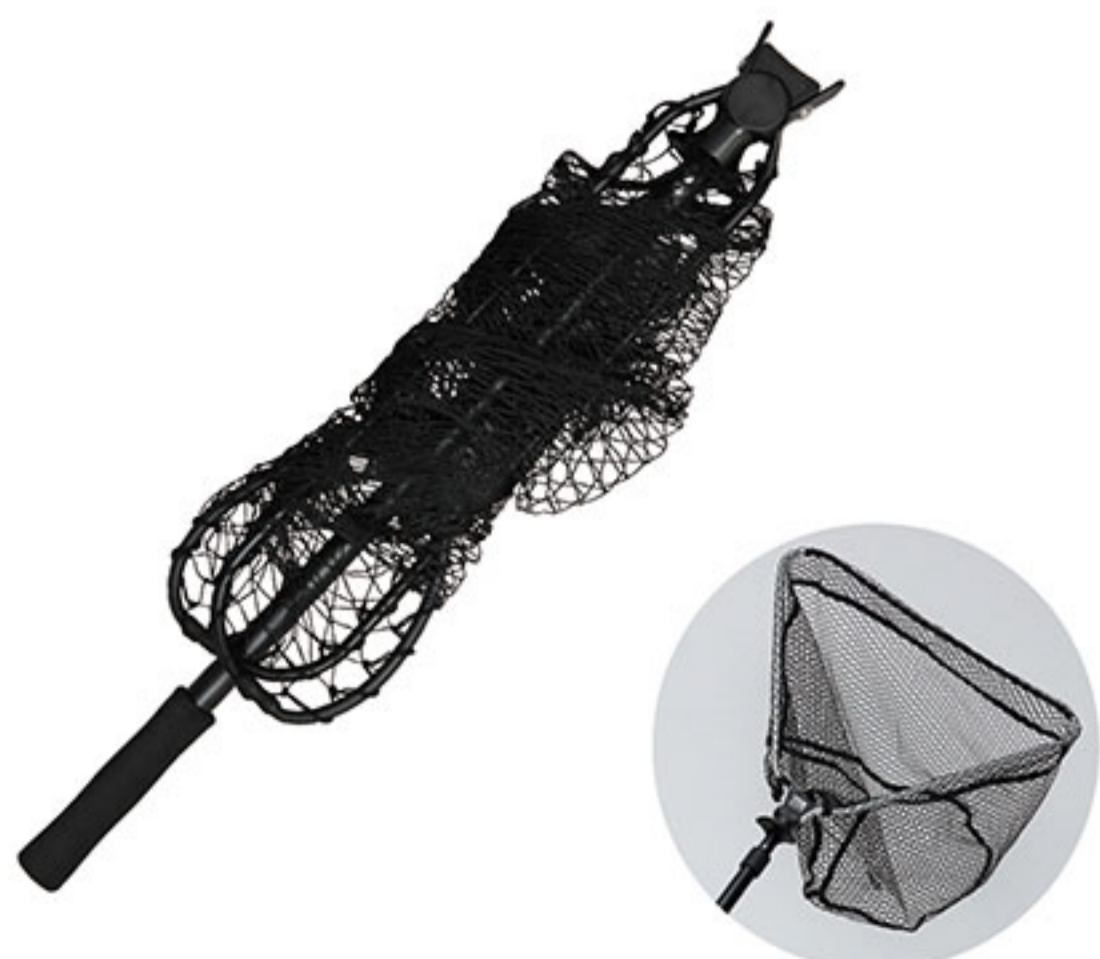

**RTI-LN04** Landing Net with Scale 26LB/12KG  
**RTI-LN04C** Anti-hooking Landing Net with Scale 26LB/12KG

- Handle:60cm. Net: 50\*40cm.
- 12KG built-in scale.
- Easy one hand operation.
- A Quick-flip to open and release triggers to close.
- PVC handle, soft and comfortable, non-slip.
- Aluminium parts, light weight, durable and rust resistant.
- With lanyard and buckle.
- Knotted nylon netting or rubber coated netting available.

**RTI-LN05C** 2.2M Telescopic Landing Net  
**RTI-LN10C** 2.2M Landing Net with Scale 7KG/15LB

- sizes:  
 LN10C:Handle:110-180cm. Net: 50\*40cm.
- A Quick-flip to open and release triggers to close.
- Light weight and durable aluminum telescopic shaft.
- Anti-hooking knotted nylon netting.
- Soft and comfortable EVA handle.
- Length of handle can be changed according to buyer's requirement.

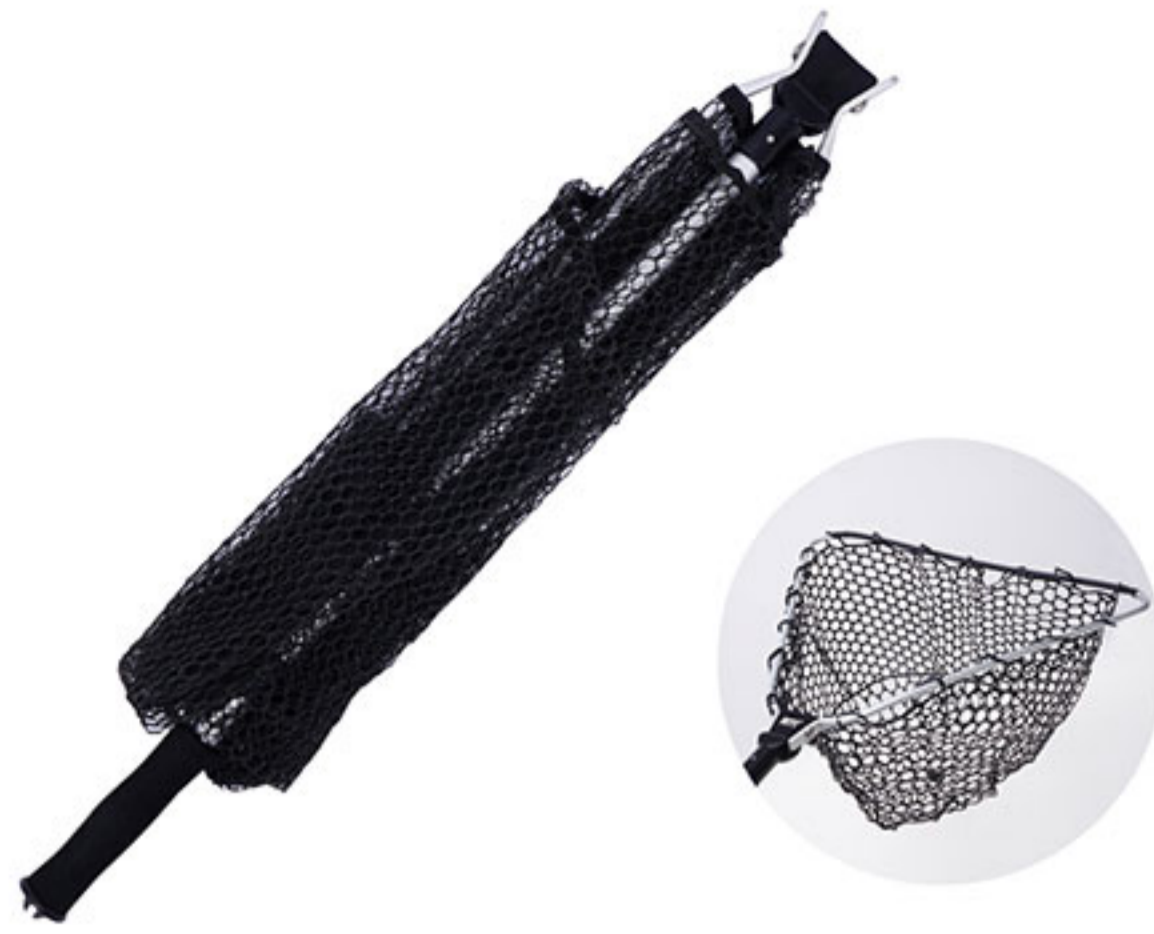

**RTI-LN03C** Simple Landing Net

- Handle:64cm. Net: 50\*40cm.
- A quick-flip to open and release triggers to close.
- Light weight aluminum tube and frame.
- Soft and comfortable EVA handle.
- Knotted nylon netting or rubber coated netting available.

**RTI-LN13** Landing Net with Laser Ruler

- Handle:72cm. Net: 50\*40cm.
- Anti-hooking silica net, protect fish from injury.
- With laser ruler on tube.
- Easy one hand operation.
- A quick-flip to open and release triggers to close.
- Aluminium tube and frame,light weight,durable and rust resistant.
- PVC handle, soft and comfortable, non-slip.
- With lanyard and buckle.
- Length of handle can be changed according to buyer's requirement.

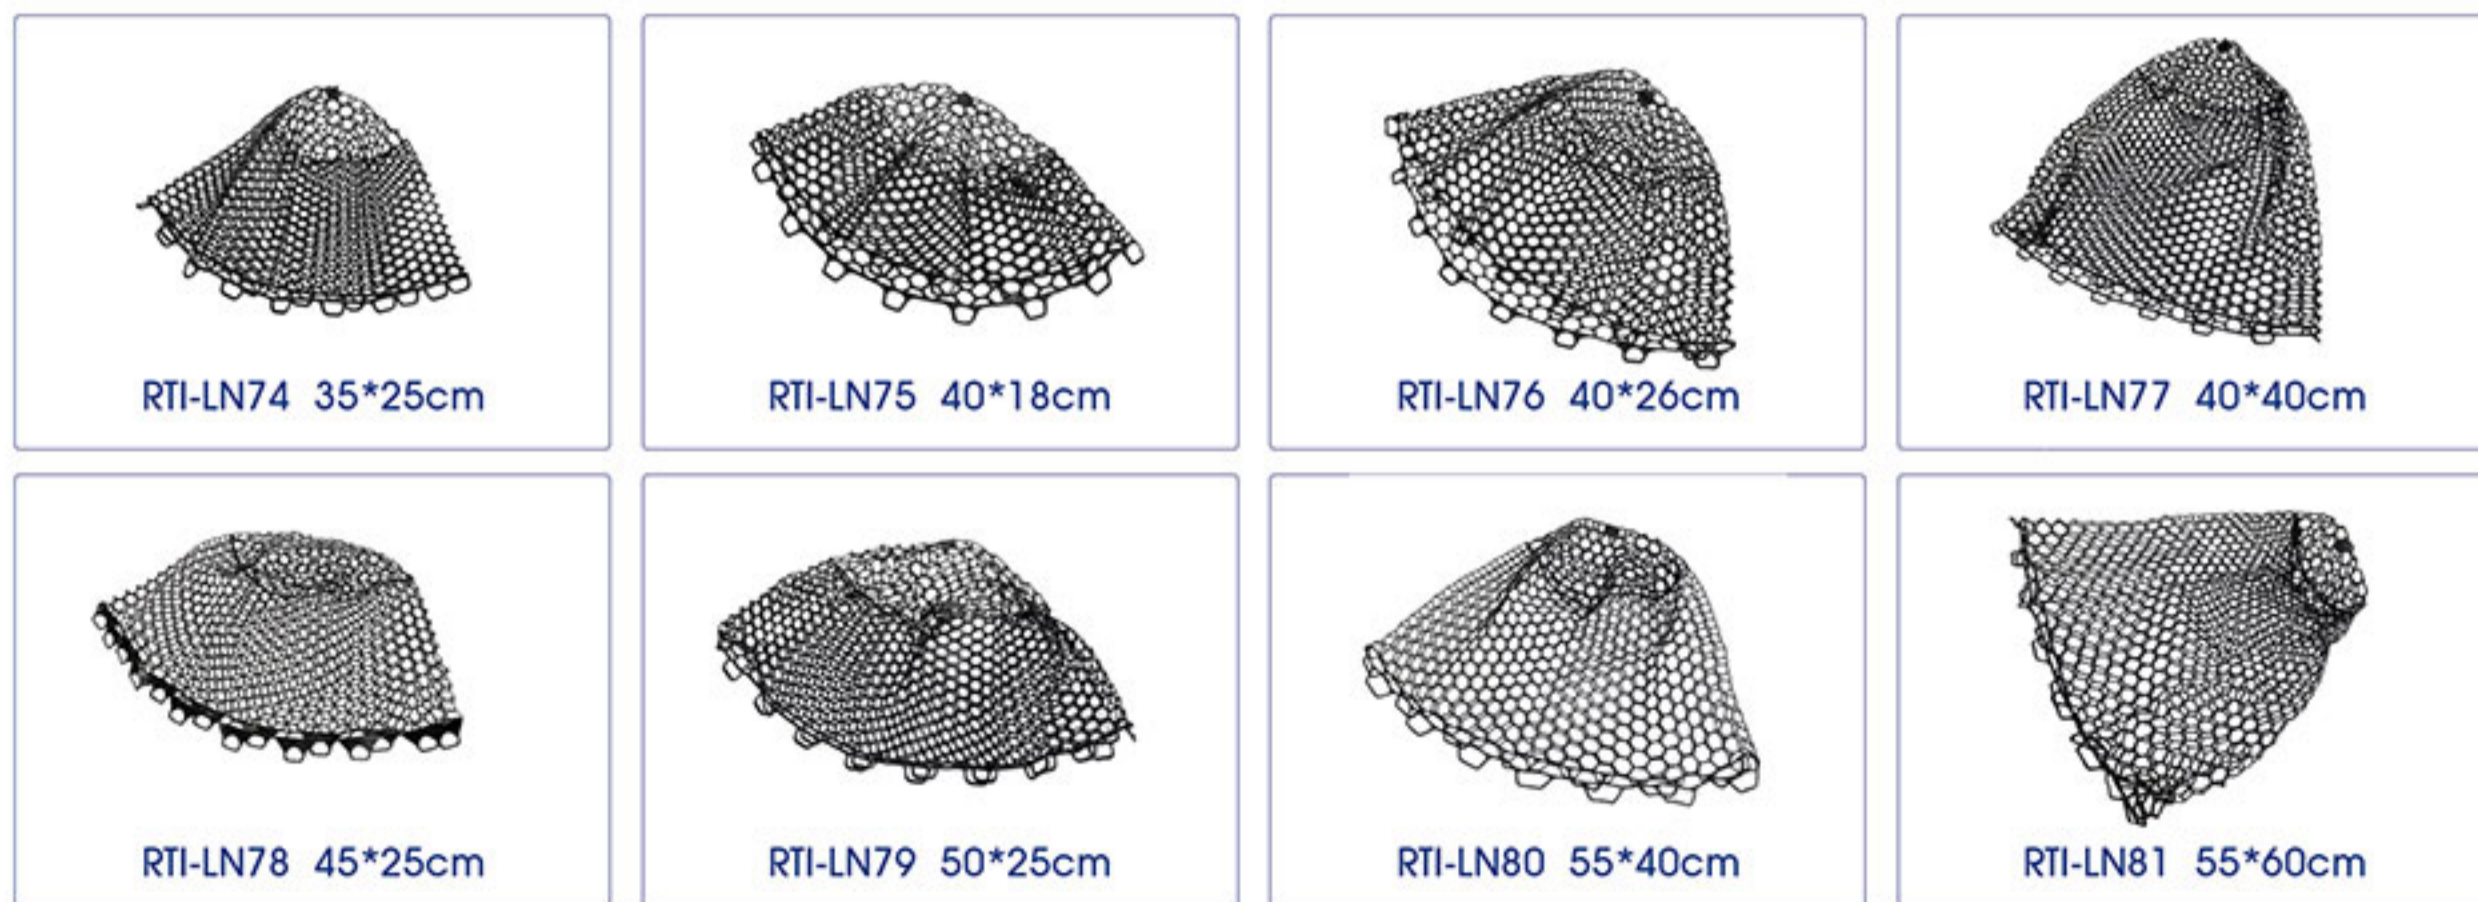

**RTI-LN96** Foldabel Landing Net

- Extended Handle: 150cm, Net: 70\*75\*70cm.
- A Quick-flip to Open and Release triggers to Close.
- Knotted Nylon Netting or Rubber Coated Netting Available.
- EVA Handle, soft and comfortable.
- Aluminium Parts, Light Weight, Durable and rust resistant.
- With Lanyard and Buckle.

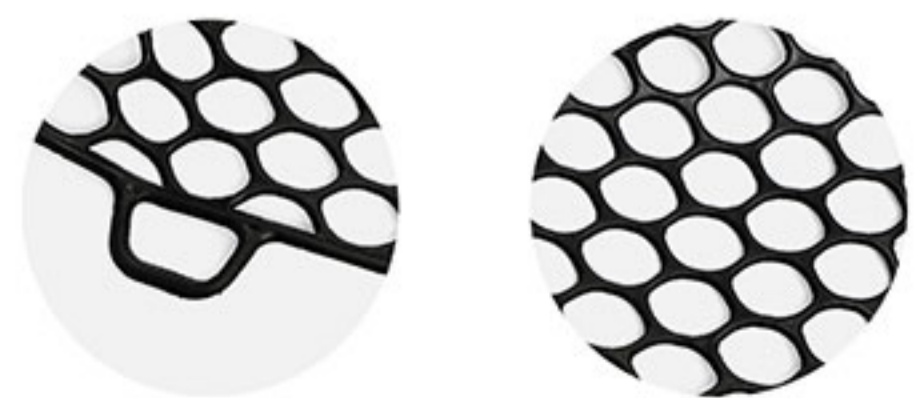

**RTI-LN70** Silicone Landing Net

- Handle: 17cm. Net: 45\*36cm.
- Silicone netting.
- Could be made with built-in scale.
- Capacity could be 7KG, 10KG, or 15 KG.
- Aluminum pipe with EVA handle.

**Silicone Netting**

- High quality silicone material.
- Color could be made in black or white.
- Different sizes available.

**RTI-LN52** Telescopic Silica Landing Net

- Handle: 47cm-108cm. Net: 50\*36cm.
- Silicone netting.
- Telescopic shaft, made of carbon tube.
- Three sections, length could be made as requested.
- Aluminum pipe with EVA handle.
- Netting frame removeable for easy storage.

**RTI-LN69** Retractable Silica Landing Net

- Handle: 65cm. Net: 49\*35cm.
- Silicone netting.
- Retractable handle.
- One section: Length is 67cm for storage; 110cm extended.
- Aluminum pipe with EVA handle.

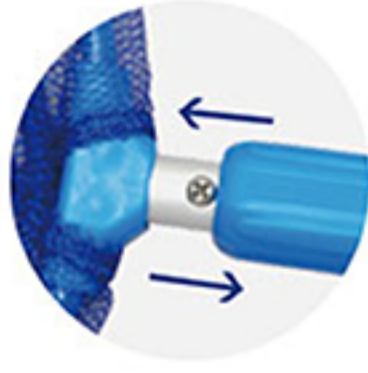

**RTI-LN83** Landing Net Header

- Handle:45\*45cm.
- Anti-hooking silica net, protect fish from injury.
- Foldable, for easy storge.
- Aluminium frame, light weight.

**RTI-LN84** Landing Net Header

- Handle:45\*45cm.
- Anti-hooking rubber coating net, protect fish from injury.
- Foldable, for easy storge.
- Aluminium frame, light weight.

### RTI-LN15 Mini Landing Net

- Handle: 38cm-67cm. Diameter: 25cm.
- Light weight aluminum tube.
- Telescopic shaft.

### Lobster/Crab Kit

- Including an aluminum gauge, 1 pair of non-slipping gloves, "45\*75cm" catch bag and a landing net.

### RTI-CA07 Lobster Snare

- Get the loop around lobsters tail and pull, the snare locks in place so you don't lose the lobster.
- Release the lock and put the bug in your bag.

### RTI-LN25/LN26/LN27/LN28 Foldable Landing Net Frame

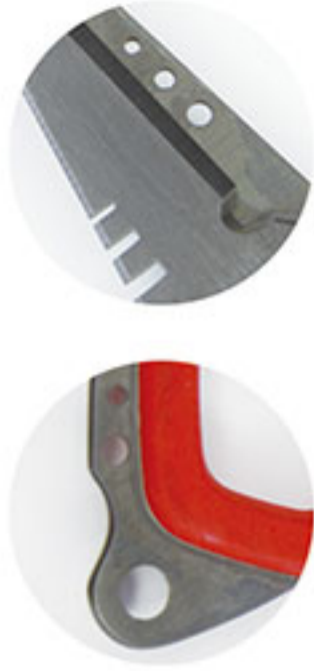

- Can be folded for easy storage.
- Existing diameter: 40cm, 45cm, 50cm, 60cm.
- Light weight aluminium frame.

# SCISSORS

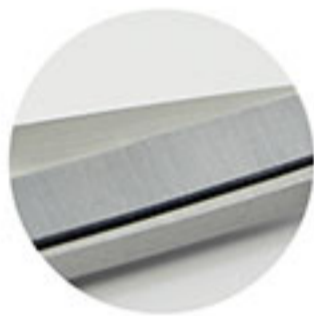

### RTI-LS42 Multi Function&Heavy Duty Fishing Scissors

- High quality 5CR15 stainless steel, titanium coated, provide super cutting performance, as well as super rust-resistance performance.
- Soft rubber handle, with big thumb hole, easy to use when wearing glove.
- Measurement: 16.8\*8\*1 cm.

### RTI-LS46 Heavy duty fishing shears

- 4mm blade with sharp edge, cut the fish bone/chicken bone easily.
- Special designed handle, with oversized finger holes.
- Micro serrated blade.
- Over size: 20\*10.5\*1.4cm.

### RTI-LS40 Line Scissors/Split Ring Tool

- Braided line cutter.
- Stainless steel construction.
- Split ring tool.
- Oversized finger holes.

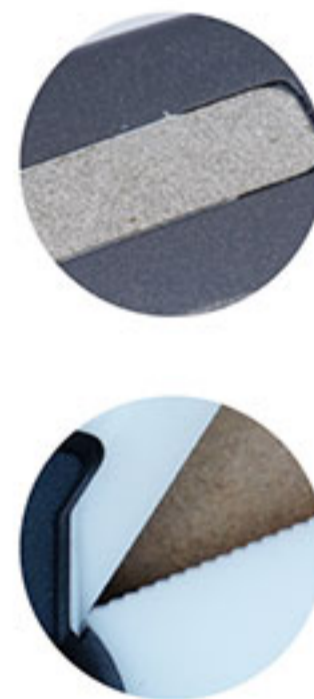

### RTI-LS39 Ceramic Line Scissors

- Ceramic blade for rust resisting.
- Perfect for cutting braid line trimly.
- Oversized finger holes.
- Special design in mold, to make OEM logo with small MOQ.

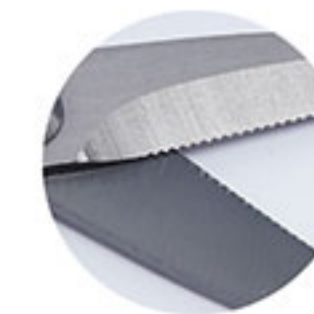

### RTI-LS41 Line Scissors

- Stainless Steel long-life blade.
- Micro Serrated Blades for Braided line.
- Lanyard hole.
- Special design in mold, to make OEM logo with small MOQ.

### RTI-LS13 Ceramic Scissors

- Ceramic blade, never rust.
- Braided line cutter.
- Oversized finger holes.
- With diamond hook sharpener.

### RTI-LS15 Scissors with Safety Cap

- Stainless steel long-life blade.
- Safety cap for protecting you from injury.
- Micro serrated blades, perfect for cutting braided line.

**RTI-LS16** Line Scissors/Split Ring Tool

- Braided line cutter.
- Stainless steel construction.
- Split ring tool.
- Special designed handle, easy to pick up.

**RTI-LS09** Foldable Scissors

- Stainless steel long-life blade.
- Serrated blades for braided line.
- Foldable design, easily store in your pocket or tackle box.

**RTI-LS01** Super Line Scissors Round Top

- Stainless steel long-life blade.
- Micro serrated blades, perfect for cutting braided line.
- Adjustable center screw with diamond hook sharpener.
- Comfortable handles, oversized finger holes.

**RTI-LS20** Triple Blade Worm Scissors

- Triple stainless steel blade, purposely designed for chopped worm effectively.
- Braided line cutter.
- Sure grip and comfortable handle.

**RTI-LS14** Mini Scissors

- Stainless steel long-life blade.
- Micro serrated blades for braided line.
- With ring for easy hanging.
- Mini size design for saving space.

**RTI-LS21B** Multi-Function Scissors

- Stainless Steel construction.
- Includes Straight Knife and fish scaler, bottle opener / bone cracker and vegetable peeler.
- 2-PC design, easy cleaning.

**RTI-LS02** Super Line Scissors Beak Top

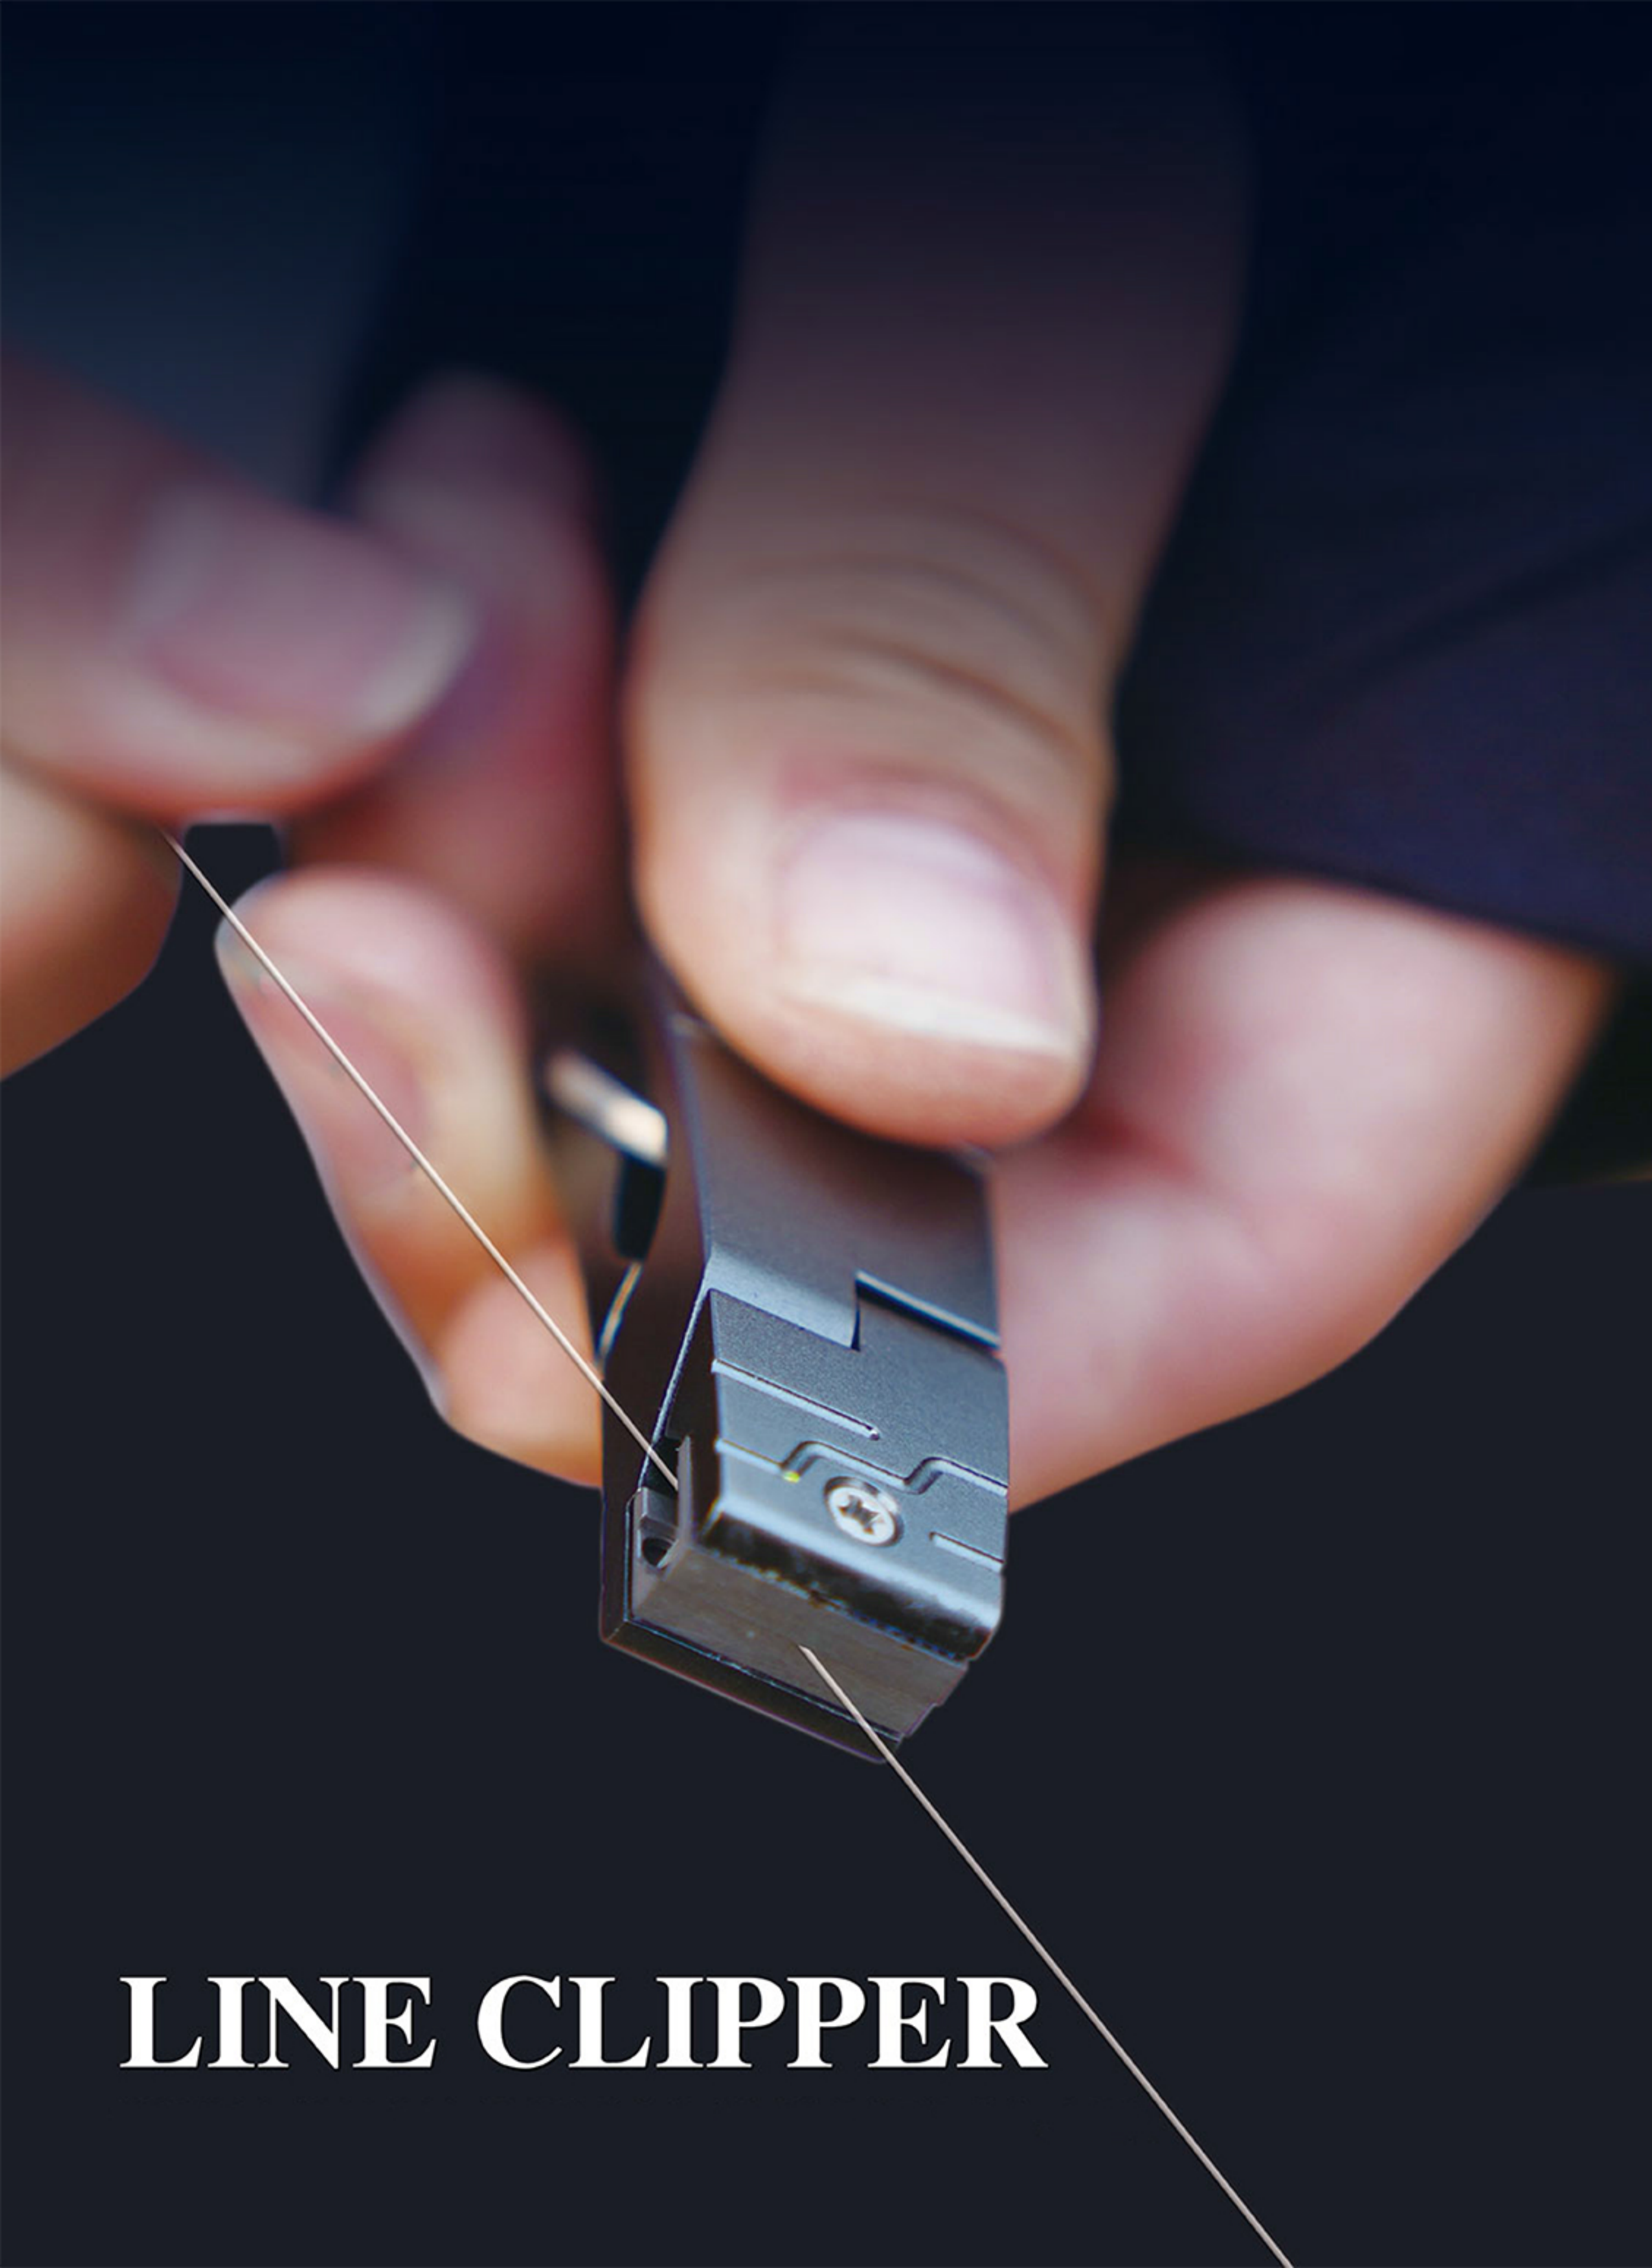

- Stainless steel long-life blade.
- Micro serrated blades, perfect for cutting braided line.
- Adjustable center screw with diamond hook sharpener.
- Comfortable handles, oversized finger holes.

**RTI-LS35** Triple Blades Scissors

- Compact design (12.8 X 6cm).
- Both triple blades and double blades available.

# LINE CLIPPER

## RTI-CL28 Line Clipper

- High quality aluminum construction.
- Super blades can cut 5000 times and more.
- Cut fine nylon and PE line.
- Size:7\*3\*1cm.

## RTI-CL22 Line Clipper

- High quality aluminum construction.
- Super blades can cut 5000 time and more.
- Cut fine nylon line.

## RTI-CL23 Line Clipper

- High quality aluminum construction.
- Super blades can cut 5000 time and more.
- Cut fine nylon line.

## RTI-CL24 Line Clipper

- High quality aluminum construction.
- Super blades can cut 5000 time and more.
- Cut fine nylon line.

### RTI-CL08 Ceramic Clipper

- Ceramic clipper, never rust.
- Needle for jig eye cleaning.
- Hook sharpener.

### RTI-CL17 Ceramic Clipper

- Ceramic clipper, never rust.
- Needle for jig eye cleaning.
- Hook sharpener.

### RTI-CL01 Clipper Stainless Steel (black finish)

- Cutting Knife.
- "Line Pick" hook.
- Large thumb bar.

### RTI-CL02 Clipper Carbon Steel Construction

- Jig eye punch.
- Screw driver.
- Hook disgorging.

### RTI-CL03 Mini Clipper Stainless Steel

- Small size, easy storage.

### RTI-CL04 Clipper with needle Stainless Steel

- Needle for jig eye cleaning.
- Knotter.

### RTI-CL05 Jig Buster

- PVC Coated handle.
- Stainless steel.

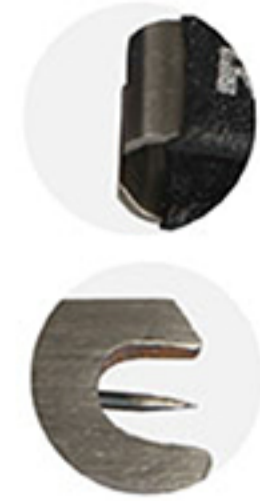

### RTI-CL01B Multi Function Clipper

- With build-in knife and line picker.
- PVC coated thumb bar.
- Stainless steel.

### RTI-CL12 Line Clipper Stainless Steel

- Hook disgorging.
- Hook sharpener.
- Black color available.

**RTI-CL13** Clipper

- With needle for cleaning jig eyes.
- PVC coated handle.
- Stainless steel.

**RTI-CL14** Clipper

- With needle for cleaning jig eyes.
- Stainless steel.
- Knotter.

**RTI-CL09** Clipper Carbon Steel Construction

- Carbon steel construction.
- Cutting Knife.
- "Line Pick" hook.

**RTI-CL16/CL16B** Multi Function Clipper

- With knife and line picker.
- PVC coated handle.
- Stainless steel.
- Two size available.

**RTI-CL09B** Split Ring Tweezer

- Stainless steel construction.
- Perfect to split small rings.
- With needle for cleaning jig eyes.

# HOOK SHARPENER

### RTI-HS01 Electric Hook Sharpener

- 2 AAA batteries operated.
- Adapt for different size of hooks.
- Electric jig buster/hook sharpener.

### RTI-KS02 Knife Sharpener (Fine&Coarse Stone)

- Two sets of sharpening rods with pre-set angles.
- Coarse rods restore dull blade with just a few strokes, and fine stone perfects already sharp blades.

### RTI-HS02 Retractable Hook Sharpener

- Retractable design.
- Fine grit aluminum oxide stone restores point in seconds.

### RTI-KS04 Knife Sharpening Bar

- Comfortable handle easy to grip.
- Works for knives, blades, etc.

### RTI-HS03 Pisciform Hook Sharpener

- Provide years of service.
- High quality steel, emery sprayed.
- Bottle opener.

### RTI-KS03 Knife Sharpener (Fine&Coarse Stone)

- Big handle provide safe, secure grip.
- Two sets of sharpening rods with pre-set angles.
- Coarse rods restore dull blade with just a few strokes, and fine stone perfects already sharp blades.

### RTI-HS04/HS06/HS07 Hook Sharpener

- High quality steel, emery sprayed.
- Provide years of service.
- 2x6.5cm(HS04); 4x4.6cm(HS06); 1.5x8cm(HS07).

### RTI-KS05 Knife Sharpener

- Big handle with finger positions provides safe, secure grip.
- Coarse tungsten rods restore dull blade with just a few strokes, and fine stone perfects already sharp blades.
- With non-slipping rubber piece at the bottom.
- Including hook sharpener.

#### RTI-FK04 Fillet Glove

- It can protect your hand from harming when you use knife.
- Nylon yarn with 5 strand stainless steel wire inside.
- Top-level protection, ANSI1/1SEA 105-2016 & ASTM F2992-15: A8(#).
- Normal size and plus-large size.

#### RTI-FK27 PVC Coated Glove

- Protect your hand when holding a fish.
- Easy to put on and take off.
- Normal size and plus-large size.

#### RTI-FK31 Warm Gloves

- Soft and thick lining, to keep hands warm.
- Non slip coating outside, to hold the fish firmly.
- Water proof.
- Perfect for fishing in winter time.

#### RTI-AS54 Sun Protection Sleeve

- High elasticity and soft fabric, comfortable to wear in summer.
- With anti-slipping rubber spots.
- Grey and white colour available. Lasered thumb hole.

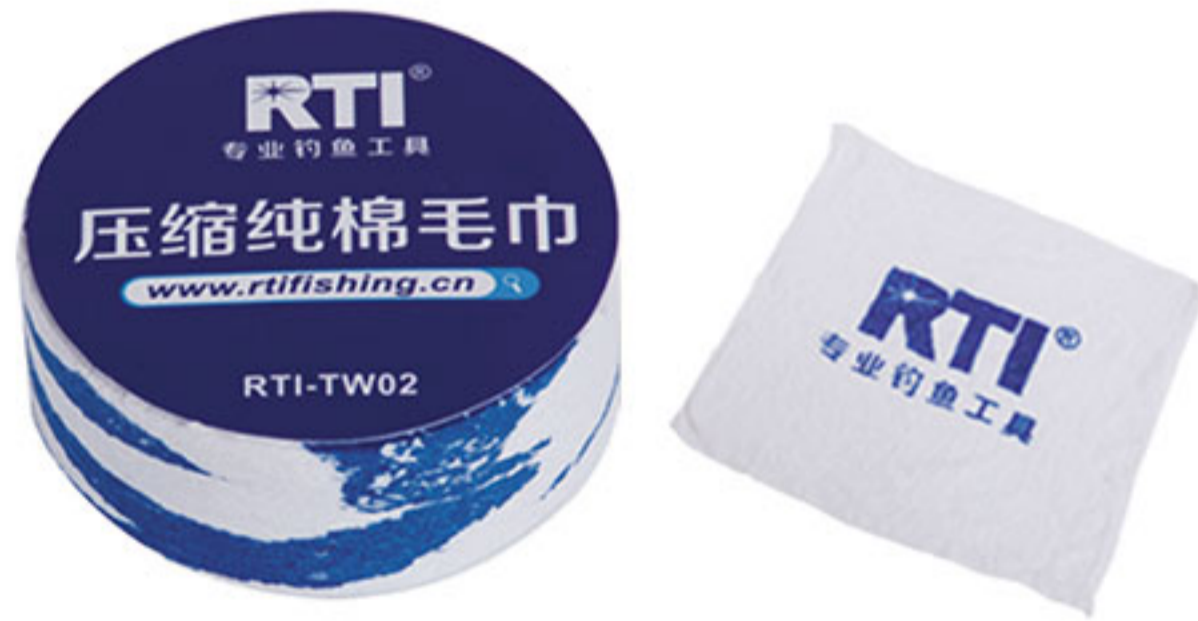

### RTI-TW01C Fishing Towel (42\*64cm)

- 100% Cotton terry.
- Strong absorption capacity.
- Velcro tape, easy for hanging anywhere needed.

### RTI-TW03 Towel with Karabiner

- Strong absorption capacity.
- Quick dry microfiber.

### RTI-TW02 Compact Towel (31\*29cm)

- 100% Cotton.
- Simply soak in water and wring out excess liquid.
- Can be used over and over if desired.
- Good for advertising.

### RTI-TW02B Compact Bath Towel

- 100% Cotton.
- Simply soak in water and wring out excess liquid.
- Can be used over and over if desired.
- Good for advertising.
- Big size: 50\*110cm or 60\*120cm.

### RTI-PS15 TPE Double Tool Sheath

- Suitable for sea fishing most of sizes split ring plier and scissors.
- Two tool positions.
- With a hanging hook and is equipped with lanyard.

### RTI-PS14 Deluxe Tool Sheath

- Suitable for different kinds of fishing pliers or scissors.
- Two tool positions.
- With a hanging hook as well as belt velcros.

### RTI-PS01/PS02 EVA Tool Sheath Single/Double

- Molded sheath with stainless steel belt clip.
- Durable and lightweight nylon construction.
- Fits for plier, forceps or other tools.
- Include coil lanyard.

### RTI-PS03/PS04 Foldable Tool Sheath Double/Single

- Durable and lightweight nylon construction.
- Fits for plier, forceps or other tools.

### RTI-AS40B Leader Straightener

- Quick and easy way to repair kinked coiled leader.
- Dry and reduce any memory from leader.
- Extend the life of your leader and tippet.
- Attached to any suitable place by buckle.

#### RTI-AS08 Line Stripper

- To remove old fishing line for re-spooling.
- One button design.
- High speed motor.
- 2\*AAA batteries operated.

#### RTI-AS76 Fly Tying Bobbin

- Ceramic insert, protecting thread from being frayed and cut, keep thread running smoothly.
- Soft grip thread spool for easy fly tying.
- Stainless steel and aluminium metal part for rust-resistance.

#### RTI-AS73 Line Spooler

- Adjustable locking system, could be fixed on most table or shelf.
- Adjustable, spring-loaded tension allows for easy spooling.
- Aluminum construction.

#### RTI-GP46 Fish Mouth Jaw Spreader

- Portable Fish Mouth Jaw Spreader 8 inch.
- Stainless Steel Fish Mouth Opener Fishing Tools.
- Made of stainless steel, extremely strong and more durable.
- Sawtooth fixture, could be fixed at correct position, to avoid hurting the fish.

### RTI-CA16 Fish Jaw Spreader

- Tainless steel material.
- Total length 25cm.

### RTI-AS151 Groundbait Mixer

- Carbon Steel Groundbait Mixer Fishing Bait Carp Whisk 11 Blades.
- 11 blades make it easy to mix a large number of baits.
- While mixing, scrape the side and bottom of the bucket to distribute the taste throughout the bait.
- Suitable for anglers who travel frequently.
- From the rigs to use to the groundbait to mix for the feeder, catching those reservoir bream will never be easier.
- Size:31\*15\*15 cm.

### RTI-AS152 Groundbait Mixer

- Carbon Steel Groundbait Mixer Fishing Bait Carp Whisk 8 Blades.
- 8 blades make it easy to mix a large number of baits.
- While mixing, scrape the side and bottom of the bucket to distribute the taste throughout the bait.
- Suitable for anglers who travel frequently.
- From the rigs to use to the groundbait to mix for the feeder, catching those reservoir bream will never be easier.
- Size:31\*14\*14 cm.

### RTI-AS219 Fishing Line Winder/Spooler

- Adjustable, spring-loaded tension allows for easy spooling.
- The winder can hold various sizes of fishing lines.
- Aluminium structure for extra long service.
- Easy to use.

### RTI-AS224 Aluminium Line Puller L

- Come with 2pcs, for tensioning fishing lines with both hands.
- 1pc inside another, for easy storage, and you won't miss one of them.
- High quality PVC coating, antislip as well as protect the fishing line from damage.

### RTI-AS241 Aluminium Line Puller M

- Come with 2pcs, for tensioning fishing lines with both hands.
- 1pc inside another, for easy storage, and you won't miss one of them.
- High quality PVC coating, antislip as well as protect the fishing line from damage.

### RTI-AS223 Aluminium Line Puller S

- Come with 2pcs, for tensioning fishing lines with both hands.
- 1pc inside another, for easy storage, and you won't miss one of them.
- High quality PVC coating, antislip as well as protect the fishing line from damage.

### RTI-AS49 Line Pullers

- Big size, suitable for four fingers holding.
- Protect your hands when pull out the stuck lines.
- Made of rubber, hold the lines firmly, non-slipping.

# PLIER

## RTI-PL78AL01 Aluminum Split Ring Pliers

- Aluminum handle with stainless steel tip, light weight and durable for heavy duties.
- Special designed split ring tools, for all sizes of rings you need.
- Spring loaded handle for easy one hand operation.
- Ergonomics designed handle, for anti-fatigue use.
- Over size: 20\*5.8\*1.5cm.

## RTI-PL45AL02 Mini Efficient Split Ring Plier

- Aluminum handle with stainless steel tip and tungsten steel cutter. Anti-rust.
- Hook tip.
- Multi function, split rings, crimping leads, cutting fishing lines, etc.
- Over size: 12\*3.5\*1cm.

## RTI-PL63AL01 6.3in Efficient Split Ring Plier with tungsten-steel line cutter

- Aluminum handle with stainless steel tip, tungsten steel cutter and stainless steel gaff hook. Anti-rust.
- Multi function, split rings, crimping leads, cutting fishing lines, etc.
- With a small built-in gaff, rotatable to protect the sharp tip.
- With handle lock for easy storage.
- Over size: 16\*5.5\*2cm.

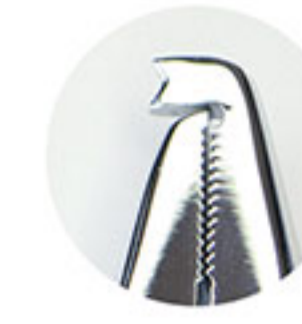

## RTI-PL73TS02 7.3in Titanium fishing plier

- Aluminum handle with titanium tip, tungsten steel cutter.
- Super light weight as well as super Anti-rust performance.
- Multi function, hook remover, crimper, line cutter, etc.
- With handle lock for easy storage.
- Over size: 18.5\*6\*2cm.

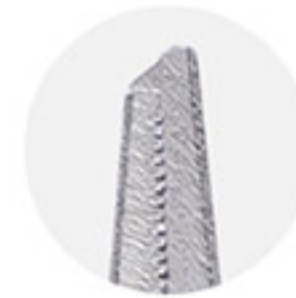

### RTI-PL65SS09 Split Ring Plier

- Special designed to split big rings easily.
- Side cutter, perfect to cut thin leaders and more.
- Metal leaf spring, ready for one hand operation.
- Stainless steel construction.

### RTI-PL55SS13 Split Ring Plier

- Special designed for big rings.
- TPR Handle with texture, comfortable and non-slip.
- Spring loaded to keep the handle ready for one hand operation.

### RTI-PL70SS04 7 inch Heavy Duty Fishing Plier

- High quality stainless steel construction.
- Tungsten steel side cutter, perfect to cut braided line.
- Titanium coating, provide super anti-rust performance.
- Built-in spring, easy for one hand operation.
- Split ring tool to split rings or remove hooks easily.

### RTI-PL50CS03 5 inch Split Ring Plier

- Split ring tool, change out hook easily.
- Side cutter, perfect to cut thin leaders and more.
- Spring loaded, keeps pliers open and ready for easy one hand operation.
- Compact size for easy storing in pocket or tackle box.

### RTI-PL80SS03 8 inch Fishing Plier

- High quality stainless steel construction.
- Tungsten steel side cutter, perfect to cut braided line.
- Titanium coating, provide super anti-rust performance.
- Built-in spring, easy for one hand operation.
- Split ring tool to split rings or remove hooks easily.

### RTI-PL50CS01 5 inch Straight Nose Plier

- Narrow nose, tapered design allows working in tight areas.
- Side cutter, perfect to cut thin leaders and more.
- Spring loaded, keeps pliers open and ready for easy one hand operation.
- Compact size for easy storing in pocket or tackle box.

### RTI-PL33AL01 Mini Aluminum Fishing Plier

- Compact design and light weight.
- Tungsten steel side cutter, perfect to cut braided line.
- Spring loaded to keep the handle ready for one hand operation.
- Different colors available.
- Size: 8.5\*2.4\*0.8cm.

### RTI-PL50SS08 5 inch Split Small Ring Plier

- Stainless steel, nickel coated.
- Special designed to split small rings.
- Also used for clamping lead shot.

**RTI-PL50SS09** 5" Split Ring Plier

- Stainless steel, nickle coated.
- Special designed to split most rings in different sizes.

**RTI-PL60SS03** Split Ring Plier

- Split ring tool to split rings or remove hooks easily.
- Side cutter, perfect to cut thin leaders and more.
- Metal Leaf Spring, Oper and Ready for one Hand Operation.
- With finger position on handle for sure grip.
- Stainless steel construction.

**RTI-PL45CS01** 4.5" Mini Side Cutter

- Sharp cutting blades for cutting through wire leader or small hook.
- Spring loaded, keeps pliers open and ready for easy one hand operation.
- Compact size for easy storing in pocket or tackle box.

**RTI-PL75SS03** 7.5" Stainless Steel Split Ring Plier

- Split ring tool , change out hook easily.
- Side cutter, perfect to cut thin leaders and more.
- Stainless steel construction.
- Mirror polish finish for super rust-resistant.
- With finger position on handle for sure grip.

**RTI-PL45VL01** 4.5" Smooth Nose Plier

- Highly hard carbon steel, nickle coated.
- Grip lines firmly, to tie lines on hooks.

**RTI-PL55SS08** 5.5" Stainless Steel Straight Nose

- Side cutter, perfect to cut thin leaders and more.
- Stainless steel construction.
- Wire polishing finish on surface for optimum rust resistance.
- With finger position on handle for sure grip.

**RTI-PL70SS01** 7" Japanese Steel Split Ring Plier

- Made of Japanese stainless steel, titanium coated.
- Super quality for sea fishing.
- To split most rings in different sizes.

**RTI-PL55SS07** 5.5" SS Split Ring Plier

- Split ring tool , change out hook easily.
- Side cutter, perfect to cut thin leaders and more.
- Stainless steel construction.
- Wire polishing finish on surface for optimum rust resistance.

**RTI-PL75SS04** 7.5" Stainless Steel Fishing Plier

- Side cutter, perfect to cut thin leaders and more.
- Stainless steel construction.
- Wire polishing finish on surface for optimum rust resistance.
- With finger position on handle for sure grip.

**RTI-PL65CS10** 6.5" Split Ring Plier

- Split ring tool, change out hook easily.
- Split shot crimper, securely attaches split shot.
- Side cutter, to cut thin leaders and more.
- Metal leaf spring, open and ready for one hand operation.
- Stainless steel or carbon steel construction.
- Surface finish:black nickel,white nickle,or black for premium rust resistance.
- With finger position on handle for sure grip.

**RTI-PL50SS11** Split Ring Plier

- Split ring tool to split rings or remove hooks easily.
- Side cutter, perfect to cut thin leaders and more.
- Stainless steel construction.
- With finger position on handle for sure grip.
- Compact design.

**RTI-PL85CS08** 8.5" Split Ring Plier

- Split ring tool, change out hook easily.
- Split shot crimper, securely attaches split shot.
- Side cutter, to cut thin leaders and more.
- Metal leaf spring, open and ready for one hand operation.
- Stainless steel or carbon steel construction.
- Surface finish:black nickel,white nickle,or black for premium rust resistance.
- With finger position on handle for sure grip.

**RTI-PL60CS02** 6" Fishing Plier Curved Top/Straight Nose

- Split shot crimper, securely attaches split shot.
- Sider cutter, to cut thin leaders and more.
- Curved top or straight top both available.

**RTI-PL11CS04** 11" Bent Plier

- Spring loaded, easy for one hand operation.
- Bent, to work at "bent" area.

**RTI-PL60CS04** 6" Split Ring Plier

- Split ring tool ,change out hook easily.
- Split shot crimper, securely attaches split shot.
- Sider cutter, to cut thin leaders and more.
- Curved top or straight top for choosing.

**RTI-PL90CS01** 9" Fishing Plier

- Split shot crimper, securely attaches split shot.
- Sider cutter, perfect to cut thin leaders and more.
- Curved top or straight top for choosing.
- Work well in narrow spaces.

#### RTI-PL65CS01 6.5" Fishing Plier

- Split ring tool, change out hook easily.
- Split shot crimper, securely attaches split shot.
- Side cutter, to cut thin leaders and more.
- Metal leaf spring, open and ready for one hand operation.
- Stainless steel or carbon steel construction.
- Co-molded handle, with finger guard.

#### RTI-PL85CS01 8.5" Fishing Plier

- Split ring tool, change out hook easily.
- Split shot crimper, securely attaches split shot.
- Side cutter, to cut thin leaders and more.
- Metal leaf spring, open and ready for one hand operation.
- Stainless steel or carbon steel construction.
- Co-molded handle, with finger guard.

#### RTI-PL70CS04 7" Side Cutter

- Design for cut heavy leads, hooks and more.
- Comfortable handle for sure grip.
- Nickel finish for good rust-resistance.

#### RTI-PL11CS03 11" Long Nose plier

- Easily for removing hook in deep mouth of fish.
- Comfortable handle for secure grip.
- Nickel finish for good rust-resistance.

#### RTI-PL60CS08 Crimping Plier

- Two sizes of crimping, with built-in staking dies.
- Comfortable anti-slipping handle.

#### RTI-PL80CS01 Portable Crimper

- Compact design, easy for storage.
- Rust-resistant coating.
- Crimps size range:0.8mm~2mm.

#### RTI-PL10CS05 Big Game Crimper

- High quality carbon steel construction with non-rust coating.
- Double lever system, to achieve great power grip easily.
- Curved top to work in narrow place, do not block the sight.
- Non-Slip Co-molded handle.

#### RTI-PL70AL04 Aluminum Plier

- Light weight, approx 100g.
- Tungsten cutter, easy for cutting braided line.
- Spring loaded, easy for one hand operation.

#### RTI-PL77AL01 Aluminum Plier

- Light weight, about 100g.
- Tungsten steel side cutter, perfect to cut braided line.
- Spring loaded to keep the handle ready for one hand operation.

**RTI-PL90CV01 Heavy Duty Plier**

- Made of chrome-vanadium steel, high hardness.
- Double lever system, to achieve great power grip easily.

**RTI-PL80CV02 8" Super Cutter**

- Super cutter,  $\Phi$ 3.5mm cuttable.
- Spring loaded, keeps pliers open and ready for one hand operation.

**RTI-PL55SS01 5.5" Split Ring Plier**

- Build-in scissors, perfect for cutting braided line.
- Split ring tool, change out hook easily.
- Lock system, easy for carrying.
- Spring, open and ready for one hand operation.
- Stainless steel construction, curved top or straight top.

**RTI-PL55SS04 5.5" Stainless Steel Side Cutter**

- Micro serrated blades, perfect for cutting braided line and more.
- Lock system, easy for carrying.
- Spring, open and ready for one hand operation.
- Stainless steel construction.

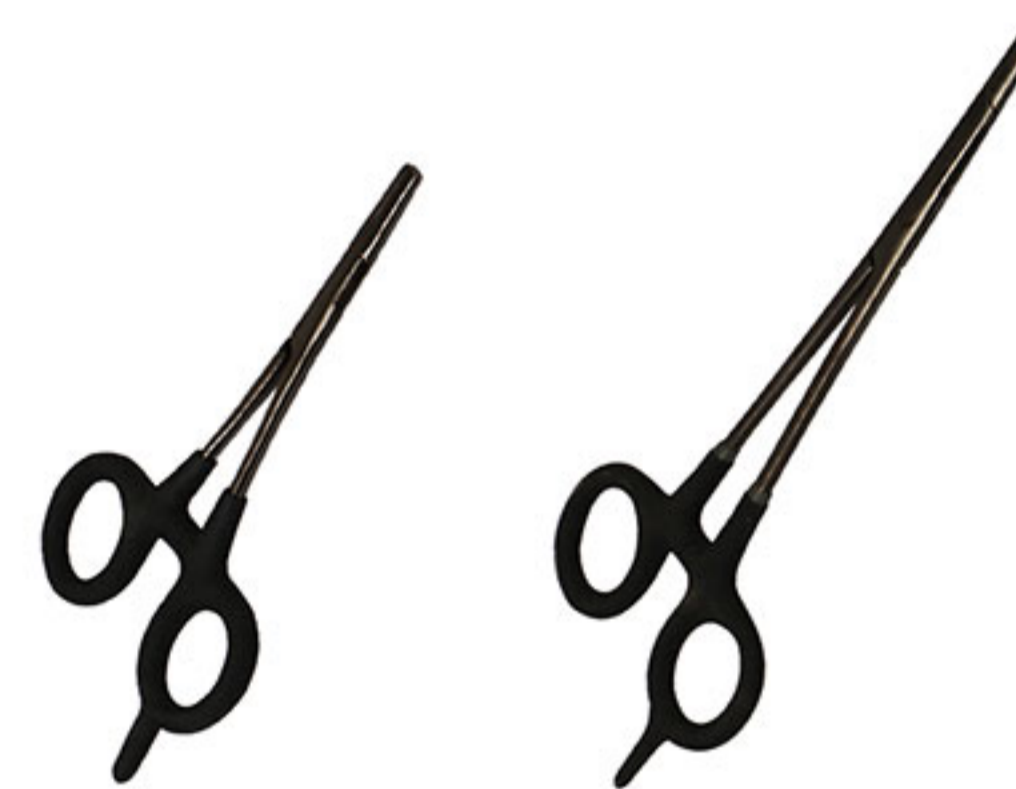

**RTI-PL13CS01 13" Heavy duty double lever plier**

- High quality carbon steel construction with non-rust coating.
- Double lever system, to achieve great power grip easily.
- Curved top to work in narrow place, do not block the sight.
- Non-Slip PVC coated handle.

**RTI-FC12 Fish Forceps with Scissors 5.5**

- Perfect for removing hooks, rigging, knot tying.
- Building-in Scissors.
- Locking system.
- Stainless steel construction.

**RTI-FC01 Fish Forceps with Scissors 5.5"**

**RTI-FC02 Fish Forceps with Scissors 7.5"**

- Perfect for removing hooks, rigging, knot tying.
- Building-in scissors.
- Locking system.
- Soft touch handles.
- Oversized thumb holes.
- Available in 5.5" and 7.5" length.
- Carbon steel or stainless steel construction.

**RTI-FC05C 5" Forceps (Curved top and Straight Top)**

**RTI-FC06B 6" Forceps (Curved top and Straight Top)**

**RTI-FC07B 7" Forceps (Curved top and Straight Top)**

**RTI-FC04B 8" Forceps (Curved top and Straight Top)**

**RTI-FC08B 9" Forceps (Curved top and Straight Top)**

- Stainless steel construction.
- Perfect for removing hooks from fish.
- Locking system.
- Available in 5", 6", 7", 8" and 9" length.

**RTI-FC06C 6" Forceps with Dipping PVC Handle**

**RTI-FC07C 7" Forceps with Dipping PVC Handle**

**RTI-FC04C 8" Forceps with Dipping PVC Handle**

**RTI-FC08C 9" Forceps with Dipping PVC Handle**

- Stainless steel construction.
- Perfect for removing hooks from fish.
- Locking system.
- Available in 6", 7", 8" and 9" length.
- Dipping pvc handle for sure-grip.

### RTI-AS254

- To adjust bended hooks of squid lures.

### RTI-ND01

- Flat B-needle with plastic handle.

### RTI-ND02

- 1.2mm round.
- Stringer needle with plastic handle.

### RTI-ND03

- 2.5mm taper.
- B-Needle with plastic handle.

### RTI-ND04

- 1.5mm drill with plastic handle.

### RTI-ND05

- 6mm drill with plastic handle.

### RTI-ND11

- 10.5cm flat b-needle with plastic handle.

### RTI-ND12

- 0.8mm drill with plastic handle.

### RTI-ND22

- 2-in-1 Baiting Needle with aluminum handle.
- Needles can be hid in handle, easy for storage.

### RTI-ND23

- Threader.
- Aid you to load traid line into casting reel.

### RTI-ND24

- Baiting safety needle.
- Sharp tip for piercing the baits with tough outer skin.

### RTI-AS10/AS39 Line Clip

- Light weight and strong construction.
- Retractable wire for quick accessing to fishing forceps, pliers, ect.
- With clip or safety-pin to attach on fishing vest, belt, etc.

### RTI-AS72 Retractable Line Clip

- 60cm retractable line.
- 32mm(diameter)\*9mm(Thickness).

### RTI-AS78 Line CLip

- 60cm retractable line.
- 32mm(diameter)\*9mm(Thickness).
- With clip to attach on fishing vest,belt,etc.

### RTI-AS79/AS80 Lockable Clip

- 60/150cm retractable line.
- 35mm(Diameter)\*12mm(Thickness).
- 58mm(Diameter)\*22mm(Thickness).
- Press button for quick retrieving line.

### RTI-AS88 Lockable Line Clip

- 60cm retractable line.
- Press button for quick retrieving line.

### RTI-AS39E Rotatable Retractor

- With karabiner to attach on the fishing vest or cloth.
- Molded slidable karabiner.

**RTI-AS07B** 24" Folding Ruler

- Both inches and centimeter marks.
- Large and easy-to-read numbers.
- Folds for compact storage.
- Mounting to boat.

**RTI-CB120** Lure Retriever

- Lead Fish weight is 200g.
- Nylon string, length is 15m.
- With 4 chains, to catch the blocked lure easily.
- With a rubber line puller (string holder).

**RTI-AS35** Folding Wading Staff

- Aluminium construction.
- Fully-locking design.
- Non-slipping EVA handle.
- 131cm / 50inch in length.

**RTI-AS197** Orange Marker Buoys

- Durable ABS Construction.
- 30m cords wrap around lead anchors. Mark the position on water, won't go with the stream.

**RTI-AS25/AS25B** Measuring Tape

- Both inches and centimeter marks.
- Large and easy-to-read numbers.
- Material is PVC with adhesive back.

**RTI-AS196** Chain Stringer

- Vinyl Coated Chain with 10 snaps.
- Suitable for fresh water use.

**RTI-AS27** Measuring Tape

- Both inches and Centimeter marks.
- Large and easy-to-read numbers.
- Material is anti wrinkling cloth.

**RTI-AS199** Portable Stringer

- With a string holder, keep the stringer stored tidily.
- Removeable snaps, to adjust as you need.

**RTI-AS77** Retractable Measuring Tape with Light (100cm)

- Portable size for easy-to-carry.
- LED light for using in the night.
- Button battery operated.

**RTI-CB140** Silicone Towel Hanger

- It is silicone material, soft, durable, easy to carry, and has many auxiliary functions.
- It can be used carry and hang on a backpack by daily life.
- Innovative design for promotional gift, souvenir, exhibition etc.

**RTI-AS92** Retractable Measuring Tape with Light (100cm)

- Inch and centimeter marks.
- LED light.
- 1PC of AAA battery operated.

**RTI-ME06** Thermometer

- Aluminum pipe.
- With screwed lids on both ends.
- Diameter: 1.2cm (Opening: 0.6\*6.2cm).
- Measure between 0 to 50 degrees centigrade.

Other Fishing Products

**RTI-AS233** Silicone bottle hanger

- Soft, convenient to use.
- High toughness, ideal to hold your water bottle or towel or other things on your belt or jacket while fishing.

**RTI-AS193** 9' Bass Stringer

- Heavy duty poly construction.
- Brass stringing needle.
- 9ft / 7.5m.

**RTI-AS194** 12' Poly Stringer

- High strength poly construction.
- Stainless Steel stringing needle.
- 12ft / 3.65m.

**RTI-FL16** Floating Stringer

- Rugged nylon construction.
- Aluminum stringing hook for corrosion resistance.
- Foam float keeps fish off bottom.

**RTI-FL15** HD Floating Stringer

- Stainless steel wire cord, strength as much as 300kgs.
- Brass stringing needle.
- Foam float keeps fish off bottom.

**RTI-CA06** Crab throw Line

- Weighted bait clip.
- 7m throw line.

**Coil Lanyard With Swivel**

- With inner stainless steel wire strand, strong and durable.
- Include karabiner or split ring at both ends. Protecting your fishing rods, fishing tools or other stuff from losing.
- Widely used in outdoors, fishing, camping, hiking and hunting.

### RTI-AS226 Anti-Lost Lanyard For Hats

- Stainless steel clips and high quality coil lanyard.
- Clip your hat to your clothes, so you will not loss your hat even it was blown away by the wind.

### RTI-AS99 Max 4KG Adjustable Attraction Connector

- Quick access and storage of your fishing net or other tools.
- Strong magnetic power.
- Ultra strong aluminum construction.
- Magnet power adjustable.

### RTI-AS37/AS37E Magnetic Net Release(4KG)

- Quick access and storage of your fishing net or other tools.
- Strong Magnetic Power.
- Anodized strong aluminum construction.

### RTI-AS11 Welding Torch

- Windproof lighter.
- Excellent for rig tying, line melting, lure repair etc.
- Adjust the flame by turning knob at the bottom of lighter.
- Re-inject gas for repeat use.
- Metal or plastic shell.

### RTI-AS38 Magnetic Net Release(1.5KG)

- Quick access and storage of your fishing net or other tools.
- Strong magnetic Power.
- Anodized strong aluminum construction.

### RTI-AS81 Magnetic Hook Keeper

- Keep your hook on rod when not using.
- Magnet help hooks to get into place easier.
- With two rubber rings to fit different rods.

### RTI-AS67 1.3 KG Megnetic Connector

- Quick access and storage of necessary tools.
- Strong and stable magnetic power.
- Different colors available.

### RTI-CT04 Fish Trap

- Retractable, easy for storage, length from 31 to 55cm. Size:31~55cm \* 31cm \* 21cm.
- Heavy-duty vinyl-dipped steel mesh construction for durability.
- Easy-access sliding mesh door for baiting and fish removal.
- Patent Number: ZL 2016 2 0241348.4.
- Including trapping light,operated by one piece of AA battery ( not included ).

### RTI-AS74 1.8 KG Megnetic Connector

- Quick access and storage of necessary tools.
- Strong and stable magnetic power.
- Different colors available.

### RTI-PR05 Hammer

- Staubless steel constryction.
- PVC sleeve over the handle non-slip even when wet.

**RTI-PR01/PR02** Priest/Extra Large Priest

- Anti-slip EVA Handle.
- Include the wrist lanyard.
- Aluminum shaft and chromed steel head for rust resistance.
- Quick and easy to use.

**RTI-AS90** Venting Tool

- Tapered top, minimize damage to fish.
- Hollow design.

**RTI-CA03** Crab Tong

- Easily removes crabs or other items from boiling pots.
- Painted steel construction for long-lasting use.

**RTI-CA04/CA05** 4/3 Prong Frog Spear

- Enamel-coated steel construction for durability.
- Oversize barbs to secure your catch.
- Welded for strength.
- Includes a protective cover and hardware.

**RTI-LT15/LT15B/LT15C** Fishing Light

- 3 sizes available, 4W / 8W / 12W.
- 5m cord.
- Green light.
- Water proof.

**RTI-AS87** Fishing Bell

- Clip on fishing rod tip, the bell rings and LED flickers when fish biting.

**RTI-CB123** Casting Training Weight

- Two sizes available(18g&10g).

**RTI-CT01** Water Proof Phone Bag

- Glow in dark.
- Lanyard included.

**RTI-CT03** Water Proof Phone Bag

- Floating.
- Lanyard included.
